

2005 County Government Week schedule
April 11 – 15, 2003

Monday – EMS Station #3 Open House, 2 – 4 pm

Ribbon cutting, refreshments, and tours of the new station on Upward Road.

Tuesday – Multi-Purpose Gymnasium survey online at website

As part of the federal grant requirements, the Recreation Department must do a needs survey. This online survey is just one method they will utilize to get citizens to fill out the survey

Wednesday – Free Fine Week at Library

Although this will start on Monday, we will promote it heavily for this day

Thursday – Cemetery information request online at website

This will be one of several ways citizens can help identify cemetery locations in the county.

Friday – New Animal Services website unveiled... with photos and short descriptions of all available animals for adoption.
