Re: request to use county parking lot

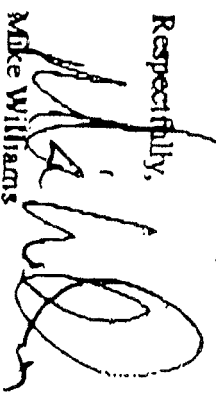

Dear Steve:

Pursuant to our phone conversation earlier today, please consider this request for us to use the County Courthouse parking lot on Saturday, August 19<sup>th</sup>.

We have planned a disaster feeding exercise, in partnership with the Salvation Army, to test our ability to prepare and serve meals to victims of a local disaster. We will be using Red Cross and Salvation Army volunteers as mock disaster victims. As you know, the call for those services would come at the direction of County Emergency Manager, Rocky Hyder. The exercise is planned to run from approximately 10am to 2pm on August 19<sup>th</sup>.

I appreciate your willingness bring this up for consideration and will look forward to hearing back from you.

Respectfully,

  
Mike Williams  
Executive Director
