Bill,

I did get your message last week. Sorry I missed you both times – I was out of the office for almost two weeks. So, you will be able to remain on the Committee, just not as Chair correct?

As per my telephone message to you, I will not longer be able to serve as president of the committee, due to my heavy travel schedule. Please advise the appropriate people. Thank you for this opportunity to serve the community and thank you very much.

Dear Mr. Moyer:

Thank you for your August 22, 2006 letter regarding the Juvenile Crime Prevention Counsel of Henderson County. Due to health-related and work-related reasons, I have been unable to attend the JCPC meetings regularly. While I regret doing so, I would ask that you accept my resignation from this position. This Council serves an important function and deserves a more active member than I am capable of being currently.

I appreciate the opportunity you have given me to serve, however, I feel the Council would be better served by appointing someone with more time to devote to it.

Thank you again for the opportunity.

Sincerely,

Jason R. Hayes

Subject: Resignation of Gary Mintz on TAC

As you will note in Gary's email message to me below, Gary no longer is employed by the Sheriff's Department so that leaves one vacancy on the TAC. You could contact Eddie Watkins to see if he has another person he wishes to appoint to represent Sheriff's Traffic Enforcement. The Commissioners have only one application on file for the TAC. Steven Orr filed an application in October 2004 and currently serves on the Hendersonville Planning Board. The Commissioners will receive notification of this vacancy at one of their October meetings. Let me know if there is anything I can assist you with in this matter. Thanks.

Hope you're having a great day! ☺

I don't know if you have been told but i am no longer employed with the Sheriff's Office. Its a long story but i guess they will have to select someone else to be on the TAC for the Sheriff's Office. I would imagine since Capt Davis is the man he would be the one to decide. I will talk to you soon.

The Comprehensive Transportation Plan subcommittee will meet on Tuesday, September 19 at 11:00 am in the conference room of the Land Development Building to discuss with Dan Holt the model of the CTP that will be presented to the TAC at its 9/28 meeting. TAC members are not required to attend this CTP subcommittee meeting but are certainly welcome to attend. Please direct any inquires regarding this meeting to Renee Kumor, Keith Maddox, Lee King, Dan Holt or Jim Crafton. Their contact information is available on the attached roster.

Hope you're having a great day! ☺
