Dear Sirs:

I hereby give my resignation from the Henderson County Juvenile Crime Prevention Council. It has been my pleasure to serve with the Council for the past year and a half. The people I have met have shown their sincere concern for our community and have impressed me with their level of dedication to the young people we all desire to serve.

The reason for my resignation is the time constraint. My schedule has gotten more hectic with the growth of our congregation. I have also begun volunteering as a chaplain with the Henderson County Sheriff's Office. So scheduling has become rather difficult.

Thank you all for giving me the opportunity to serve and my thoughts and prayers will be with you all as you continue to serve our wonderful community.

May God bless you all!

Anthony Craver
