(In making such a request, the city or town must comply with the requirements of N.C.G.S. 153A-122.)

Sec. 125A-3. Loud and disturbing noise.

(A) Subject to the provisions of this section, it is prohibited in Henderson County to create, cause or allow the continuance of any unreasonably loud, disturbing noise. In determining whether a noise is unreasonably loud and disturbing, the following factors incident to such noise are to be considered: Time of day; proximity to residential structures; whether the noise is recurrent, intermittent or constant; the volume and intensity; whether the noise has been enhanced in volume or range by any type of mechanical means; the nature and zoning of the area; whether the noise is related to the normal operation of a business or other

labor activity or is the result of some use for individual purposes; and whether the noise is subject to being controlled without unreasonable effort or expense to the creator thereof.

(B) The following acts, among others are declared to be loud and disturbing in violation of this section if they annoy or disturb the quiet, comfort or repose of any reasonable person of ordinary firmness and sensibilities in the vicinity where created, caused, or continued, but this enumeration shall not be deemed to be exclusive.

(4) The playing of any radio, television, phonograph, drum, musical instrument, or sound production, reproduction or amplification equipment in such manner or with such volume, particularly during the hours between 11:00 p.m. and 7:00 a.m., so as to annoy or disturb the peace, quiet, comfort or repose of any person of ordinary firmness and sensibilities in the vicinity.

(6) The intentional sounding of any horn or signal device on any automobile, motorcycle, bus or other vehicle except as a danger signal or as required by law, so as to create any unreasonably loud or disturbing noise as defined above, or the sounding of such a device for an unnecessary and/or unreasonable period of time.

(8) The repair, rebuilding or testing of any motor vehicle, particularly during the hours between 11:00 p.m. and 7:00 a.m.

(9) Operating or permitting the operation of any motor vehicle or motorcycle not equipped with a muffler or other device in good working order so as to effectively prevent loud
