Dear Ms. McLelland:

Enclosed please find the Western Highlands Network's Fiscal Monitoring Report for the 2008 fiscal year 1st quarter, ending September 30, 2007. State Law requires the LME to provide the quarterly FMR to the County Finance Officer. This report is to be provided to the Board of County Commissioners at the next regularly scheduled meeting of the Board. I have cited Legislative Bill H2077 for easy reference:

The county finance officer shall provide the quarterly report to the board of county commissioners at the next regularly scheduled meeting of the board. The clerk of the board of commissioners shall notify the area director and the county finance officer if the quarterly report required by this subsection has not been submitted within the required period of time. This information shall be presented in a format prescribed by the county. At least twice a year, this information shall be presented in person and shall be read into the minutes of the meeting at which it is presented. Quarterly Fiscal Monitoring Report - Explanation of Revenue and Expenditure Variances

Western Highlands Area Authority

Local Management Entity

for the period ending:

September 30, 2007

ITEM

Explanation

Revenues:

Appropriation of Fund Balance: Fund Balance Appropriated represents one-time expenditures for reserves for unemployment claims expected from the June 30, 2006 reduction-in-force, denied claims appealed to the State, expansion and continuation of initiatives including WRAP, Telepsychiatry, Medicine Management, Network Capacity Peer Support and Housing. It also includes \$56,000 of Transylvania County FY2006 MOE funds and \$68,112 of Rutherford County FY2007 MOE funds returned by New Vistas to Western Highlands in FY2007 and will be expended in FY2008.

County Appropriations: Western Highlands did not received MOE funds as of September 30, 2007 from Henderson, Madison, Mitchell, Polk, Rutherford and Transylvania Counties.

Service Delivery Funds: Western Highlands will submit Funds Requests for Non-UCR funding upon receipt of the final budget.

Expenditures:

All Other: This line item represents County Maintenance of Effort expenditures. Western Highlands received the full amount of MOE funds from Buncombe County and had expended 83 percent of it by September 30, 2007. This caused the expenditure percentage to be greater than 110%.

Note: Western Highlands is in the process of closing the fiscal year. We do not believe these numbers will change. If there are changes, additional reconciliations or adjustments, we will identify and reflect the changes on the 2nd quarter report.
