or

Motion to approve the LEPC Annual Report for 2007

HENDERSON COUNTY

LOCAL EMERGENCY PLANNING COMMITTEE

ANNUAL REPORT 2007

The Henderson County Local Emergency Planning Committee held quarterly meetings at Binions Restaurant, Hendersonville, NC. We were able to obtain a grant from North Carolina Emergency Management and North Carolina Department of Agriculture for \$19,000 for the purchase of a CAMET mobile animal shelter that is a good resource for animals during a disaster.

The LEPC received Hazardous Materials Inventory Reports from 60 businesses located within the county and incorporated municipalities. These reports are kept on file for emergency planning and public access purposes in accordance with the Emergency Planning and the Community Right-to-Know Act of 1986. The LEPC worked on several projects this year including an update for the Emergency Operations Plan, logistics support for the Strategic National Stockpile, Emergency Sheltering for humans and animals and a regional disaster exercise coordinated with the Charlotte Mecklenburg LEPC.
