RE: FY 2007-2008 Progress Report regarding Delinquent Property Tax Collections and Report on Efforts to Collect Delinquent Taxes

Dear Henderson County Commissioners:

We are now in the ninth year of the delinquent tax collection project and would like to take this opportunity to report our progress.

Since the inception of the project in October of 1999, we have collected \$11,689,268.74, in delinquent tax, including interest. Of this amount, \$1,438,926.07 was collected during FY 2007-2008. At the close of this fiscal year, we have collected 99.69% of our prior-year annual tax bills (real estate and listed personal property) and 97.40% of our prior-year motor vehicle tax.¹

The responsibilities of the Delinquent Tax Collections staff include the monitoring and administration of legal remedies used to collect delinquent tax. We have made a great deal of progress this year through the use of these remedies and are pleased to provide detailed information depicting this years achievements:

In Rem Foreclosures (pursuant to NCGS 105-375). Approximately 85% of Henderson County's tax base is attributable to real estate and improvements thereon.² It stands to reason, therefore, that Henderson County act assertively to preserve this revenue, and our foreclosure program serves to achieve this objective. Henderson County is one of few North Carolina counties that administer tax foreclosures from start to finish without the assistance of outside attorneys. We feel that this system increases efficiency and equates to minimal cost passed on to the taxpayers, who may already be financially distressed.

Henderson County traditionally holds a real estate tax auction once a year, and currently there are 5 properties scheduled to be auctioned sometime this fall. Last year at this time, we also had 5 properties scheduled to be auctioned, 2 were paid off prior to the sale, 3 were sold at auction to the public. Two years ago, we had 39 properties scheduled to be auctioned. Prior to instituting a tax foreclosure, the statutes requires us to first conduct a title examination of the subject property and send notices via certified mail to all persons having an interest in the property. In addition to the statutory requirements to which we are bound, we attempt to make telephone contact with the taxpayer and in some cases, personally visit the taxpayer and/or the subject property. Additionally,

¹ NCPTS Monthly County Collection Report for period 1 July 2007 to 30 June 2008

² 2007 Tax Base figures as compiled by the Henderson County Assessor

we send pre-foreclosure notices to taxpayers as well as all mortgage holders as disclosed by the title examination. We also post the properties when we docket a judgment against the property. We have made remarkable progress during FY 2007-2008 relative to real property collections. The diligence of our staff has resulted in more taxes being collected and less property having to be foreclosed upon.

Garnishments and Attachments pursuant to NCGS 105-368. 205 bank account garnishments totaling \$288,638.80 were completed during FY 2007-2008.³

NC Debt Setoff Program (pursuant to NCGS Chapter 105A). The North Carolina Debt Setoff Program allows local government to collect outstanding debts by garnishing North Carolina state income tax refunds. Delinquent Tax Collections administers the Debt Setoff Program for the collection of property tax as well as debts owed to other county agencies. During FY 2007-2008, Henderson County collected \$106,858.50 through the use of Debt Setoff.⁴

Payment Arrangements. In most instances, taxpayers are permitted to make structured payments against outstanding tax liabilities according to a predetermined payment schedule. During FY 2007-2008, Delinquent Tax Collections entered into 340 payment agreements totaling \$45,239.68 in tax revenue.⁵

Bankruptcy. As part of an effective collection program, it is important to keep abreast of the statutes and procedural issues pertaining to bankruptcy. Proofs of Claim must be filed in a timely manner when appropriate and tax bills involved in an active bankruptcy case must be carefully monitored and segregated to avoid violation of the automatic stay imposed by the Bankruptcy Court. Presently, there are 464 tax bills amounting to \$103,871.17⁶ that are involved in active bankruptcy cases. As depicted in the following chart of North Carolina Bankruptcy filings, during 2006, there was a significant drop in the number of cases filed in North Carolina's Western District Court. Only 5,108 cases were filed in North Carolina Bankruptcy Court's Western District of which Henderson County is a part. This drop can be attributed to the 17 October 2005 enactment of the Bankruptcy Abuse and Protection Act which was designed to limit frivolous bankruptcy filings. This also represents a 10 year low in the number of bankruptcy filings. The number of bankruptcies filed during 2007 was slightly higher with 5706 cases.

Ten Year Comparison for Annual Bankruptcy Filings

The second chart demonstrates that of the 5706 bankruptcies filed in the Western District, 895 were filed in the Asheville Division. The chart also shows the breakdown of the number of each type of bankruptcy that was filed during 2007.

Our most difficult collections remain in the area of motor vehicle tax. The total prior-year (i.e., 1996-2006) sum of outstanding motor vehicle tax is \$1,243,254.20, which represents 46.61% of the total outstanding delinquent tax.⁷

In closing, the progress relating to delinquent tax collections has truly been a team effort based on hard work and solid dedication. In the coming year, we will strive to maintain our progress in real estate collections while at the same time shifting our primary focus to outstanding personal property tax, which consists mostly of mobile home tax and business personal property tax.

Thank you for the opportunity to be of service to you.

- (2) The Year End Levy Due columns include amounts due for years prior to 1996 which are legally unenforceable.
- (3) With regard to Fire District entries, REG, DEF and DMV breakdowns on accrued interest and collection percentages were not available due to the formatting of the Special District Collection report
