## **LOCAL EMERGENCY PLANNING COMMITTEE**

---

### **ANNUAL REPORT 2008**

---

The Henderson County Local Emergency Planning Committee held quarterly meetings at Binions Restaurant, Hendersonville, NC.

The Committee worked with the North Carolina Division of Emergency Management and North Carolina Department of Agriculture on a mobile animal shelter project scheduled for delivery in January 2009.

The LEPC received Hazardous Materials Inventory Reports from 48 businesses located within the county and incorporated municipalities. These reports are kept on file for emergency planning and public access purposes in accordance with the Emergency Planning and the Community Right-to-Know Act of 1986. The LEPC worked on several projects this year including an update for the Emergency Operations Plan, developed plans for a County Receiving and Distribution Point (CRDP), and began the process of updating the Multi-jurisdiction Hazard Mitigation Plan.
