Polk County Erosion Control Program Status

- Polk County Board of Commissioners recently approved a Soil Erosion and Sedimentation Ordinance at their June 22, 2009 Board meeting.
- This ordinance is exactly like ours with one exception. They placed bond requirements for large scale developments.
- Polk County has shown interest in partnering with the Henderson County Soil Erosion and Sedimentation Program.
- They have submitted their Soil Erosion and Sedimentation Ordinance to DENR for review and approval. (possibly 30 day turnaround) Once the ordinance is approved by DENR, the ordinance will go effective 30 days later.
