Dear County Commissioners,

During the last meeting of the Edneyville Community Center Association held on September 10, a discussion took place regarding the new Community Center. As you may well know, Gaylerd Davis and Margaret Davidson were/are instrumental in revitalizing the Edneyville Community. They both worked extremely hard to start the Community Center project wheels turning. Unfortunately, Mr. Davis passed away before he could see his dream come to fruition. Members of our Association feel very strongly that both of these community members should be recognized and honored in a special way. A motion was brought up and voted on at our last meeting that the meeting rooms be named after these two instrumental individuals. Of course, we are aware that the decision to name the rooms could only be approved by the board of commissioners. We urge you to take this matter under consideration and we would appreciate positive steps toward this goal.

If you would care to discuss this situation in greater detail, we would be happy to meet with you either in your office or at our next Edneyville Community Center Association meeting, which will be held at 7:00 PM on October 8, 2009 at the new community center building. We are hopeful that we can resolve this issue in a manner that will be agreeable to both the County Board of Commissioners and the Edneyville Community Center Association. I can be reached at 272-5795 for further discussion.

Sincerely,

Sam Palazzolo, treasurer
