Mr. Edney:

spoke with Raleigh about the disposition of returned mail, and here is the retention we're are going with at this time:

**Mail concerning property appraisal, including copies of abstracts and accompanying forms, returned to the tax office by the postal or other mail delivery service as undeliverable.**

**Destroy in office when administrative value ends.**

Let me know if you feel the wording of this can be improved, and I'll edit and resend this message. If not, this record and its retention will be included in the tax department records retention schedule under item 2, page 33 the next it is updated. Right now I don't know when that will be, but a year or so at least. In the meantime please retain this e-mail as your authorization to purge these records.

Jeff

I spoke with you a while back about some retention questions, specifically returned mail. You were going to check and get back with me. Have you found out anything on this yet?

Thanks
