

**REQUEST FOR BOARD ACTION
HENDERSON COUNTY
BOARD OF COMMISSIONERS**

MEETING DATE: April 18, 2012

SUBJECT: Henderson County Refuse Collection

ATTACHMENTS: No

PRESENTER: Megan Piner

SUMMARY OF REQUEST:

On March 14, 2012 Henderson County received proposals from a joint RFP effort between Henderson County, Henderson County Schools and Blue Ridge Community College for refuse and recycling collection. The successful bidder from this RFP was Consolidated Waste Services; CWS provided prices to all three entities that are lower than what they are currently paying for collection. Henderson County will be paying \$2,498.00 per month for pick-up of refuse at all County locations. Currently Henderson County is paying approximately \$6,700.00 per month for refuse collection. The service agreement with CWS will save Henderson County approximately \$50,500.00 per year, as well as offer consolidated billing, saving valuable staff time. The service agreement will also control for fuel charges, which currently fluctuate on current billing.

BOARD ACTION REQUESTED:

Authorize the County Engineer to sign the service agreement between Henderson County and Consolidated Waste Services.

Suggested Motion:

I move to authorize the County Engineer to sign the service agreement between Henderson County and Consolidated Waste Services.
