RE: Surplus Vehicle

The Henderson County Rescue Squad respectfully requests the donation of a vehicle from the Henderson County Board of Commissioners. In March of this year we lost a transport vehicle due to a blown head gasket. The vehicle was a 1993 Chevrolet Suburban and was used as a rehabilitation vehicle for structure fires as well as manpower transport and tow vehicle for search and rescue and diving operations.

We request the donation of the former Cane Creek Sewer Ford Expedition. This vehicle is comparable in size to our unit that was salvaged. Please consider our request for this vehicle.

Sincerely,

Jimmy Stepp
Deputy Chief
