MINUTES

**STATE OF NORTH CAROLINA  
COUNTY OF HENDERSON**

**BOARD OF COMMISSIONERS  
WEDNESDAY, NOVEMBER 21, 2012**

The Henderson County Board of Commissioners met for a regularly scheduled meeting at 9:00 a.m. in the Commissioners' Meeting Room of the Historic Courthouse on Main Street, Hendersonville.

Those present were: Chairman Tommy Thompson, Vice-Chairman Bill O'Connor, Commissioner Larry Young, Commissioner Michael Edney, Commissioner Charlie Messer, County Manager Steve Wyatt, Interim Assistant County Manager David Whitson, County Attorney Russ Burrell and Clerk to the Board Teresa Wilson.

Also present were: Public Information Officer Christy DeStefano, Finance Director J. Carey McLelland, Planning Director Anthony Starr, Engineer Marcus Jones, Research/Budget Analyst Amy Brantley, Planner Parker Sloan, Library Director Bill Snyder, Assessor/Tax Collector Stan Duncan, Senior Planner Autumn Radcliff, Planner Matt Cable, Internal Auditor Darlene Burgess, and HR Director Jan Pritchard.

CALL TO ORDER/WELCOME

Chairman Thompson called the meeting to order and welcomed all in attendance.

PLEDGE OF ALLEGIANCE

The Pledge of Allegiance to the American Flag was led by Commissioner Edney.

OUTSTANDING PLANNING AWARD FOR DANA COMMUNITY PLAN

Planning Director Anthony Starr stated that over the years, current and previous Commissioners have provided sound leadership through a commitment to planning. Planning is important because a community can essentially make two (2) decisions; plan to make things happen, or wait for things to happen to the community. Last month at the annual conference of the North Carolina Chapter of the American Planning Association, Henderson County was awarded the 2012 Marvin Collins Award for outstanding planning and comprehensive planning in a large jurisdiction, the Dana Community Plan. Henderson County competes with the largest local governments in the state, (i.e., Charlotte, Raleigh). The American Planning Association noted when presenting the award last month that the model should be used for other planning efforts in the state. Henderson County has now received this award three times, 2005, 2009, and 2012. Henderson County is the only county local government, within recent history, to receive this award three times. Mr. Starr presented the award to the Board of Commissioners.

CHAT JONES MEMORIAM

Chairman Thompson spoke in regard to Chester Allen "Chat" Jones and his recent death. Mr. Jones was well known by many people and affected many lives. The Commissioners presented a Resolution in Memoriam of Chat Jones to his wife Judy Jones. Chairman Thompson read the resolution aloud and a copy of the resolution is hereby attached and incorporated as a part of these minutes. As part of the Resolution, Fields 8 & 9 of Jackson Park will be dedicated as "Chat Jones Memorial Fields."

hearing is required. The purpose of the second hearing is to receive public comment regarding the proposed application.

The CDBG funds will be used to support Henderson County Habitat for Humanity's Dodd Meadows residential development for moderate and low income persons in the County. Up to \$250,000 of the grant would be used for road and utility improvements to serve new residential homes. The grant will fund road improvements including paving, curbing, and storm water drainage improvements, as well as, public water and sewer extension for a portion of phase two of the Dodd Meadows project. Up to an additional \$250,000 would be used to fund the construction of a community center within the Dodd Meadows development that would serve the Dodd Meadows neighborhood as well as the broader community.

No local match (County funds) is required for this grant.

#### INFORMAL PUBLIC COMMENT

All speakers spoke in regard to the Flat Rock Playhouse and possible funding by Henderson County.

1. Terry Neal – Mr. Neal feels the community cannot let Flat Rock Playhouse (FRP) go bankrupt as it is invaluable. He does feel there are management issues. FRP books need to be available for accountability. Mr. Neal would like to present a solution. He requested that Henderson County continue to fund FRP.
2. Ronald Jenkins – Mr. Jenkins feels FRP has made bad business decisions including the second venue on Main Street. Management is spending beyond their means. He asked that Henderson County not fund FRP.
3. Glen Enggram – Mr. Enggram feels that governments should not pick winners and losers for funding by the citizen tax dollars. Commissioners are to be good stewards of tax money.
4. Eva Ritchey – Mrs. Ritchey is concerned about the economy and health of the community. She feels FRP brings in millions to Henderson County, yet they are the lowest supported theater in the United States. Mrs. Ritchey has spoken with tourists, and they have voiced their concerns about FRP closing.
5. Dennis Justice – Mr. Justice does not support funding for FRP. He also spoke against the purchase of the Hendersonville Christian School. Mr. Justice would rather the money be spent on the schools and infrastructure. Winners and losers shouldn't be picked by the Board.
6. Janice Parker – Mrs. Parker is against sinking taxpayer money into the FRP. She feels productions offered by FRP, in the last few years, have become less favorable. Mrs. Parker feels when in doubt, don't fund.
7. Steve Carlisle – Mr. Carlisle does not feel that FRP listens to ideas of others. Their meetings should be open and publicized. He would like to see the 990's for 2011.

Mr. Carlisle also suggested a "Chat Jones Day" in Henderson County where citizens could volunteer to do public service.

**DISCUSSION/ADJUSTMENT OF AGENDA**

*Commissioner Messer made the motion to adopt the Agenda with the addition of a discussion in regard to Flat Rock Playhouse, and the deletion of the BRCC update, as Dr. Parkhill could not be present. All voted in favor and the motion carried.*

**CONSENT AGENDA**

*Chairman Thompson made the motion to adopt the Consent Agenda as presented. All voted in favor and the motion carried.*

Refunds	\$ 362.58
Releases	\$27,082.93

Motion:

*I move the Board approves the Combined Release/Refund Report as presented.*

**New Ambulance and Emergency Medical Services Equipment Financing**

A request was made and approved by the Commissioners at the regularly scheduled September 4, 2012 Board meeting to purchase two (2) new ambulances to replace the final two units being leased and due to expire in December 2012. Emergency Medical Services is also in need of replacing its manual defibrillators due to constant failure and repair of the equipment. The current defibrillators are older technology and over 7 years old. The vendor, ZOLL, is providing a \$48,000 trade-in allowance for the old equipment. The purchase of the new ambulances and equipment is proposed to be financed through a bank installment financing contract at a fixed interest rate with annual payments over a 4-year term.

Staff requested proposals from financial institutions to finance the purchase of the two (2) new ambulances and seven (7) manual defibrillators at a total cost not to exceed \$413,539. Attached for the Board's review are the results of the financing proposals that were received from five (5) financial institutions.

First Citizens Bank has been certified as the lowest responsive proposal to finance the new ambulances and emergency medical equipment over a 4-year term at a tax-exempt interest rate of 1.25 percent. The first annual payment debt service payment of \$106,635.59 will not be due until December 2014 and will be included in the proposed FY2014 budget.

Motion:

*I move that the Board of Commissioners approves the resolution accepting the proposal from First Citizens Bank to finance the new ambulances and emergency medical equipment authorizing the Chairman and Staff to execute and deliver the required financing documents. All voted in favor and the motion carried.*

**Petition for addition to State Road system**

Staff received the petitions to add Rebels Lair to the state road system. It has been the practice of this Board to accept road petitions and forward them to NC Department of Transportation for their review. It has also been the practice of the Board not to ask NCDOT to change the priority for roads on the paving priority list.

Staff reviewed the petitions and it appears that all affected property owners or developers have signed the required petition.

Motion:

*I move that the Board approves the petition and direct staff to forward it to NCDOT.*
