**HENDERSON COUNTY
BOARD OF COMMISSIONERS**

MEETING DATE: April 15, 2015
SUBJECT: E911 Center Relocation Project
PRESENTER: Lisha Stanley
ATTACHMENTS: No

SUMMARY OF REQUEST:

At the January 16, 2013 Meeting, the Board of Commissioners authorized the E911 Relocation Project, which would move the 911 Center into the Law Enforcement Center, and replace outdated equipment. The Board subsequently authorized contracts with Delta Engineering, Inc. for architectural services, and Mission Critical Partners for project management.

On September 18, 2013, the Board was notified that the County had received a \$3,600,000 grant from the NC 911 Board for the project. The Board then authorized Staff to execute the required documents for the contract. On May 12, 2014 the Board awarded the Construction Contract for the 911 Center Relocation project, and work began on the project.

Following months of work on the project, the "Go-Live" Date was scheduled for April 2, 2015 at 6:00am. Staff will be present to give the Board an update on the project, and transition into the new space.
