MINUTES

STATE OF NORTH CAROLINA
COUNTY OF HENDERSON

BOARD OF COMMISSIONERS
WEDNESDAY, FEBRUARY 17, 2016

The Henderson County Board of Commissioners met for a regularly scheduled meeting at 9:00 a.m. in the Commissioners' Meeting Room of the Historic Courthouse on Main Street, Hendersonville.

Those present were: Vice-Chairman Charlie Messer, Commissioner Grady Hawkins, Commissioner William Lapsley, County Manager Steve Wyatt, Assistant County Manager Amy Brantley, Attorney Russ Burrell and Clerk to the Board Teresa Wilson. Commissioner Mike Edney arrived at 9:10 a.m.

Also present were: Management Assistant Megan Powell, Director of Business and County Development John Mitchell, Finance Director Carey McLelland, Senior Planner Autumn Radcliff, Engineer Marcus Jones, Interim DSS Director Jerrie McFalls, Fire Marshal Rocky Hyder, Captain Bengy Bryant, Central Services and Construction Manager David Berry, Library Director Trina Rushing, Environmental Programs Coordinator Rachel Kipar, Assistant Engineer Natalie Berry and PIO Kathy Finotti – videotaping, and Deputy Brent Cantrell as security.

Absent was: Chairman Tommy Thompson

CALL TO ORDER/WELCOME

Vice-Chairman Messer called the meeting to order, welcomed all in attendance.

INVOCATION

The invocation was provided by County Manager Steve Wyatt.

PLEDGE OF ALLEGIANCE

The Pledge of Allegiance to the American Flag was led by Ex-Marine Ray Bryson.

INFORMAL PUBLIC COMMENTS

1. Jerry Pace – Mr. Pace lives on Orchard Hill in Henderson County. Approximately 16-18 residents of Orchard Hill are paying extremely higher rates to the Saluda Water Department for their water with little or no maintenance on the system. Mr. Pace requested any assistance the Board could offer to these residents of Henderson County.
2. Ken Fitch – Mr. Fitch spoke in regard to the future of the Hendersonville High School Stillwell Building. He feels the building is historic and should be saved.

It was the consensus of the Board to have staff look into the water situation at Orchard Hill.

DISCUSSION/ADJUSTMENT OF CONSENT AGENDA

Commissioner Hawkins made the motion to approve the consent agenda as presented. All voted in favor and the motion carried.

CONSENT AGENDA consisted of the following:

Minutes

Draft minutes were presented for board review and approval of the following meeting(s):
February 1, 2016 - Regularly Scheduled Meeting

Tax Collector's Report

Collections Specialist Luke Small had presented the Tax Collector's Report to the Commissioners dated February 8, 2016 for information only. No action was required.

DATE APPROVED:

Smoky Mountain Center – Quarterly Fiscal Monitoring Report (FMR) for the quarter ended December 31, 2016

N.C.G.S. 122C-117(c) requires the staff of the local area mental health authority to provide the County Finance Officer with the quarterly Fiscal Monitoring Report (FMR) within 30 days of the end of the quarter. The County Finance Officer is then required to provide the FMR to the Board of Commissioners at the next regularly scheduled meeting of the board. The FMR for the Smoky Mountain Center was received by the County Finance Officer on February 1, 2016.

Motion:

I move that the Board of Commissioners approves the Smoky Mountain Center Fiscal Monitoring Report for the quarter ended December 31, 2015.

Proclamation – John L. Boyd Day

The Board of Commissioners had been requested to proclaim Tuesday, March 15, 2016 as John L. Boyd Day in Henderson County. John Boyd has been the leader of the Vision Henderson County program since its inception in 1996. This proclamation honors John Boyd for his 20 years of leadership in the Vision Henderson County program, which has resulted in hundreds of alumni who have made countless contributions to this community and our quality of life.

Motion:

I move that the Board adopts the Proclamation as presented.

Proclamation – Women in Construction Week

The Board of Commissioners has been requested by the National Association of Women in Construction (NAWIC) Chapter 154, to proclaim March 6-12, 2016 as Women in Construction Week in Henderson County. This Proclamation coincides with the NAWIC Week celebration. The focus of the week is to highlight women as a visible component of the construction industry, and to allow local chapters to give back to their communities.

Motion:

I move that the Board adopts the Proclamation as presented.

DISCUSSION/ADJUSTMENT OF DISCUSSION AGENDA

Commissioner Edney made the motion to approve the discussion agenda with the addition of a closed session for consultation with the attorney. All voted in favor and the motion carried.

Nominations

Vice-Chairman Messer noted the vacancies and opened the floor for nominations.

Notification of Vacancies

1. Environmental Advisory Committee – 1 vac.
2. Equalization and Review, Henderson County Board of – 5 vac.
3. Hendersonville Business Advisory Committee – 1 vac.
4. Industrial Facilities and Pollution Control Financing Authority – 1 vac.
5. Nursing/Adult Care Home Community Advisory Committee – 2 vac.

Nominations

1. Animal Services Committee – 2 vac.

Vice-Chairman Messer nominated Dr. Beverly Hargus for position #2 and Donna Young for position #5.

Vice-Chairman Messer made the motion to accept the reappointments of Dr. Beverly Hargus to position #2 and Donna Young to position #5 by acclamation. All voted in favor and the motion carried.

2. EMS Peer Review Committee – 1 vac.
There were no nominations at this time and this item was rolled to the next meeting.

3. Hendersonville City Zoning Board of Adjustment – 1 vac.
There were no nominations at this time and this item was rolled to the next meeting.

4. Historic Resources Commission – 1 vac.
There were no nominations at this time and this item was rolled to the next meeting.

5. Juvenile Crime Prevention Council – 4 vac.
Commissioner Lapsley nominated Nicholas Fowler for position #20.

Vice-Chairman Messer made the motion to accept the appointment of Nicholas Fowler to position #20 by acclamation. All voted in favor and the motion carried.

6. Mountain Valleys Resource Conservation and Development Program – 1 vac.
There were no nominations at this time and this item was rolled to the next meeting.

7. Nursing/Adult Care Home Community Advisory Committee – 4 vac.
There were no nominations at this time and this item was rolled to the next meeting.

8. Recreation Advisory Committee – 3 vac.
Vice-Chairman Messer nominated Ralph King for position #1, Jeffrey Donaldson for position #6, and Corum Smith for position #7.

Vice-Chairman Messer made the motion to accept the reappointments of Ralph King to position #1, Jeffrey Donaldson to position #6, and Corum Smith to position #7 by acclamation. All voted in favor and the motion carried.

9. Senior Volunteer Services Advisory Council – 4 vac.
There were no nominations at this time and this item was rolled to the next meeting.

INNOVATIVE HIGH SCHOOL

John Mitchell stated at the November mid-month meeting of the Board of Commissioners, the Board approved a contract with the County's Architect of Record, Clark Nexsen, to build a Career Academy named the Innovative High School on the campus of Blue Ridge Community College.

Clark Nexsen has completed programing for the space and drafted a schematic design. Programming meetings have been held with members of the Superintendent's team, Blue Ridge Community College and County staff. The size and cost of the proposal are within the approved budget. Clark Nexsen is seeking approval of the schematic design and direction to begin design development.

The design was approved by the Henderson County School Board at its February meeting. The Blue Ridge Community College Board of Trustees will review it at their March 14, 2016 meeting.

Chad Roberson, Architect for Clark Nexsen stated this project is much different than a regular school project with enhanced partnership.

The new building is designed to house 500 students, 250 from each group. The Career Academy will also use other buildings and programs within the Blue Ridge Community College campus.

Students can park anywhere, it is not dedicated parking.

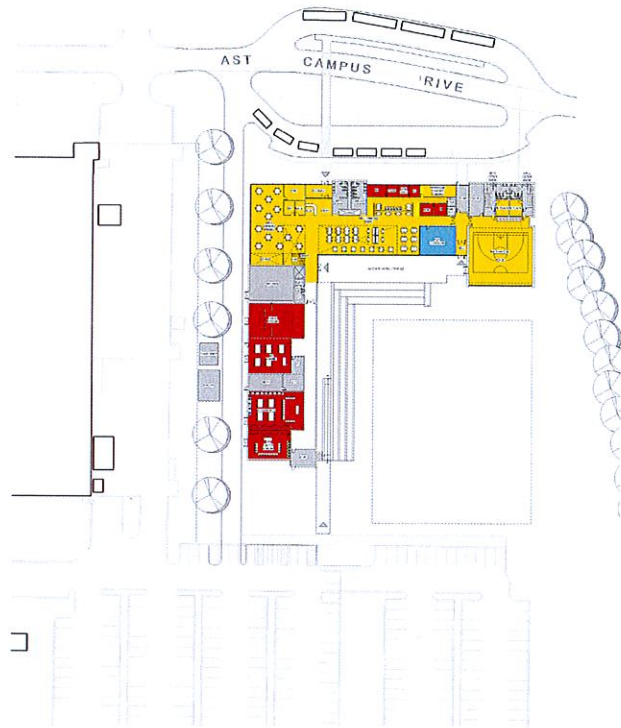

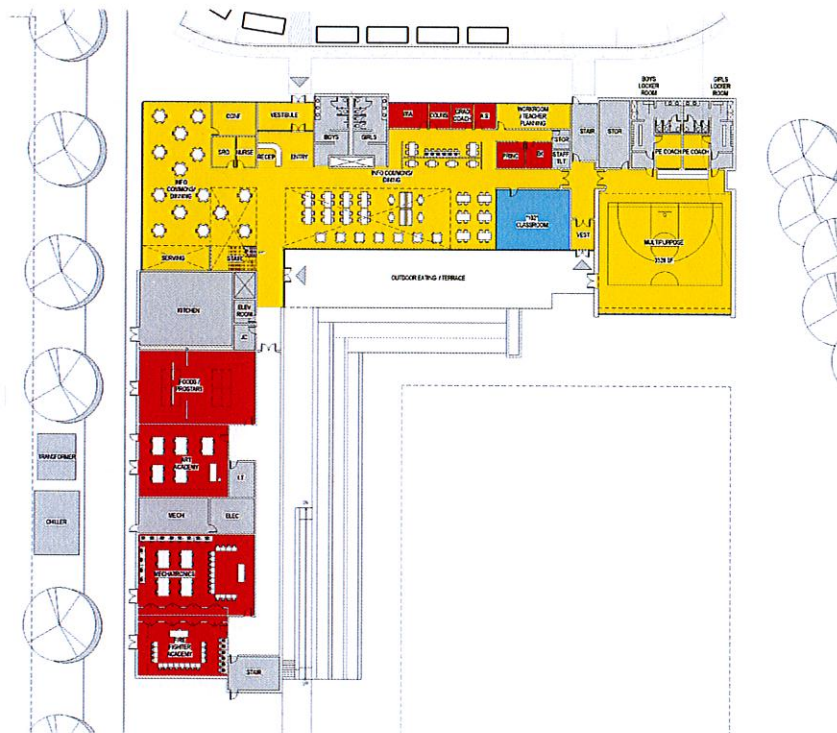

SITE PLAN

1ST FLOOR PLAN

2ND FLOOR PLAN

The multi-purpose area can be used for many purposes (i.e. weights, exercise equipment, half court basketball).

Blue Ridge Community College will be operating and maintaining the building. This should show a reduction in expense for the school system.

All students will have security badges for entry, just as the other college students.

Steve Wyatt noted the return on investment is maximized with all BRCC resources being available to students.

Commissioner Edney made the motion to modify the design to include a full-size gymnasium and full-size athletic field.

Commissioner Lapsley noted the School Board had not asked for a full-size gym or field.

Commissioner Edney felt it should be treated as any other school.

The motion failed 1-3 with Commissioners Messer, Lapsley, and Hawkins voting nay.

Commissioner Lapsley made the motion that the Board accepts the schematic design of the Innovative High School and directs staff to continue the project. He further moved that the Board requests the architect to provide the cost of modifying the design to include a full-size gymnasium and full-size athletic field at the next meeting. The motion passed 3-1 with Commissioner Edney voting nay.

DESIGNATED NATIONAL FOREST AREAS

The Henderson County Board of Commissioners is requested to discuss the potential plans for the U.S. Forest to change the designation of land within the Pisgah National Forest from forest land to a wilderness designation. The Forest Service is in the middle of a years-long process to revise its land management plan for the Nantahala and Pisgah National Forests. Part of the revision process involves inventorying land within forest boundaries to be evaluated to see if it meets criteria to be designated as wilderness - the highest level of protection that can be given to land managed by the federal government. Basically, the designation means the land is left in its natural condition with restrictions to human traffic.

Commonly understood policies of wilderness management:

- No roads or timber harvest (with rare exceptions).
- No motorized use except for emergencies or when necessary for purposes of administering wilderness.
- No mechanized transport, such as mountain bikes, game carts, etc.

- Area is managed for primitive and unconfined recreation with outstanding opportunities for solitude.
- Area is managed for the free play of natural processes.
- Naturally occurring fire is allowed, as much as possible, to play its natural role.
- Complex congressional guidelines provide for existing levels of grazing and necessary range improvements. However, grazing cannot be increased following wilderness designation.

Seth Grant provided the following information via a power-point presentation.

History of Pisgah National Forest

- Established 1916
- 86,700 acres from Edith Vanderbilt at less than fair market value: "I wish earnestly to make such disposition of Pisgah Forest as will maintain in the fullest and most permanent way its national value as an object lesson in forestry."
- Through the study of forestry (Biltmore School of Forestry) the land was conserved and held in trust for the public.

Conservation v. Preservation

Conservation = wise use of natural resources or "the greatest good for the greatest number in the long run"

National Forests = Conservation, multiple-use management

National Parks = Preservation, little human use

National Forests = hunting, forest management, mountain biking, traditional uses of the land

National Parks = no hunting, no forest management, other uses limited

Nantahala and Pisgah National Forests

- 1.1 million acres in western North Carolina
- National Forest land is **CONSERVED**:
 - **Not going to** be developed into a subdivision
 - No fracking, no mining, no clearcutting
 - Strict environmental regulations protect the forest and water
 - Old Growth is protected
 - Important ecological areas protected
- No threat to forest that warrants more restrictions

Why is Multiple-Use Management Good?

- Accommodates everyone: hikers, hunters, bikers, horses, campers
- Hunters cannot hunt in Great Smoky Mtn National Park or state parks
- Nantahala-Pisgah NFs are Half the public hunting land in NC

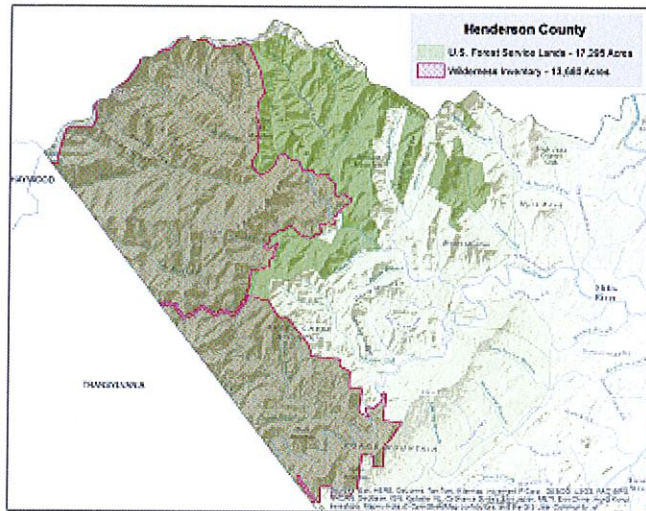

Forest Management Flexibility is Critical

- Forest Health
- Wildlife Habitat
- Wildfire Management
- County revenue
- Money pays for trail work, parking lots, bathrooms
- Local jobs
- Opens scenic views
- Mountain Traditions

Young, Middle and Mature Forests

National Recreation Area - Why?

- NO guarantee of extra funding from Forest Service
- Will lead to overuse and degradation of the public resource
- Many roads and trails already in poor shape
- Can Mills River or Turkey Pen handle more people?
- County foots the bill for law enforcement and search and rescue

- NRA is not compromise with Wilderness advocates:
 - It will limit wildlife habitat projects
 - Stepping stone to Wilderness designation in the future.

Remember Conservation v. Preservation?

- Conservation = Multiple Uses
- Preservation = Little Human Use

- **Wilderness** is federal designation that converts National Forests to **Preservation**
 - Roads decommissioned
 - No wildlife habitat improvement projects
 - No mountain biking
 - Traditional uses of the land curtailed

Access, Access, Access...keep to open to variety of users.

Ray Bryson noted that his family has been very involved with Pisgah National Forest for many generations. He feels that most management plans have not been followed through.

Romana Bryson stated she and her husband are very active in wildlife preservation. She feels the designation is unnecessary and our resources need to be protected. She asked the Board to adopt the resolution.

Commissioner Lapsley was surprised the Board was hearing of the proposed designation for the first time. He feels the Forestry Service should have notified the Board.

Commissioner Edney asked what could be done in addition to the resolution.

County Manager Steve Wyatt explained that the Board is in a unique position with a Senator and Congressman housed in Henderson County buildings. We have access to staff with short notice. He recommended facilitating a meeting within the next couple of weeks.

David Whitmire, who serves on the Transylvania natural Resources Council, and is the Chair of the Fish and Wildlife Council stated he is concerned about water and wildlife. He asked the Board to sign the resolution in opposition, but to support forest managers.

Commissioner Hawkins is not surprised that the bureaucrats have kept this a secret. He will support the resolution in opposition.

Commissioner Hawkins made motion that the Board adopts the Resolution opposing the Proposed National Recreation Area and Proposed Wilderness Area, and asked staff to forward the Resolution to our Representatives (Meadows & Tillis). He further moved that staff coordinate a meeting with the Staff to our Representatives for further discussion.

Commissioner Lapsley requested that Senator Burr also receive the resolution, and asked staff to investigate the possible deliberate attempt to keep local government in the dark.

Commissioner Lapsley called to question. All voted in favor and the motion carried.

CLOSED SESSION

The Board is requested to go into closed session pursuant to N.C. Gen. Stat. §143-318.11(a), for the following reason(s):

Pursuant to N.C. Gen. Stat §143-318.11(a)(3), to consult with an attorney employed or retained by the Board to preserve attorney-client privilege.

Commissioner Edney made the motion that the Board go into closed session pursuant to N.C. Gen. Stat. §143-318.11(a)(3) to consult with an attorney employed or retained by the Board to preserve attorney-client privilege. All voted in favor and the motion carried.

ADJOURN

Commissioner Hawkins made the motion to go out of closed session and adjourn at 11:35 a.m. All voted in favor and the motion carried.

PROCLAMATION JOHN L. BOYD DAY

WHEREAS, Vision Henderson County is a comprehensive leadership development program initiated by Blue Ridge Community College and co-sponsored by the Henderson County Chamber of Commerce; and

WHEREAS, the Vision program was established in 1996 and Vision Henderson County is celebrating its 20th year with the 2015-2016 class; and

WHEREAS, since the inception of the program in 1996, John L. Boyd has been the leader of the program promoting informed and committed civic volunteerism; and

WHEREAS, throughout this 20 year history, John L. Boyd has promoted inclusiveness, trusteeship, vision and operation as a change agent for the betterment of our community; and

WHEREAS, each year, John L. Boyd, has worked with a select group of leaders to understand the issues and opportunities affecting our community (business/economic, environmental, education, civic, healthcare, agriculture, etc.); challenging them to understand how they can make a difference; and

WHEREAS, John L. Boyd's 20 years of leadership of this program have resulted in hundreds of alumni who have made countless contributions to the community and its quality of life;

NOW, THEREFORE, BE IT PROCLAIMED that the Henderson County Board of Commissioners do hereby designate Tuesday, March 15, 2016 as John L. Boyd Day in Henderson County and urge all citizens to celebrate the continued legacy of John Boyd's great leadership and participation in and support of Vision Henderson County.

In witness whereof I have hereunto set my hand and caused the seal of the County of Henderson to be affixed.

Adopted this the 17th day of February, 2016.

PROCLAMATION 2016 WOMEN IN CONSTRUCTION WEEK

WHEREAS, The National Association of Women in Construction Asheville Chapter #154 has distinguished itself for 48 years as the voice of women in construction in Western North Carolina; and

WHEREAS, the work done by Chapter 154 has benefited Western North Carolina through community development and educational programs; and

WHEREAS, Chapter 154 has unceasingly promoted the employment and advance of women in the construction industry; and

WHEREAS, the construction community has been a driving force in fostering community development through renovation and beautification projects; promotion of skilled trade careers; and a positive vision of the future;

NOW, THEREFORE, BE IT PROCLAIMED that the Henderson County Board of Commissioners do hereby designate the week of March 6-12, 2016 as "Women in Construction Week", and thank the National Association of Women in Construction (NAWIC) for their contribution to the construction industry.

In witness whereof I have hereunto set my hand and caused the seal of the County of Henderson to be affixed.

Adopted this the 17th day of February, 2016.

RESOLUTION IN OPPOSITION TO THE NANTAHALA AND PISGAH NATIONAL FOREST LAND MANAGEMENT PLAN REVISION

- WHEREAS,** the United States Forest Service is revising its 1987 Land Management Plan for the Nantahala and Pisgah National Forest, and is currently accepting public comment on the proposed revision; and
- WHEREAS,** Henderson County Board of Commissioners is pleased with and commends the National Forest Staff and supports their important contributions to our community; and
- WHEREAS,** approximately 7.2% (17,295 acres) of Henderson County is National Forest System Land and approximately 13,680 acres in Henderson County were inventoried Wilderness; and
- WHEREAS,** the Nantahala and Pisgah National Forests contain important and significant natural resources that relate to the commerce and people of Henderson County in ecological, scenic, recreational, social, and community values; and
- WHEREAS,** the National Forest lands within Henderson County contribute significantly to Henderson County's economy, infrastructure and school funding; and
- WHEREAS,** these National Forests have substantial value including habitat for native wildlife and fish, as a publicly administered natural area of free and open public access to all visitors, as a sustainable supply of forest products for local and regional businesses, and as a natural, ecological and scientific resource; and
- WHEREAS,** the Pisgah and Nantahala National Forests make up a significant element of Henderson County's history and cultural heritage, and maintain a diversity of natural habitats of Western North Carolina worthy of conversation, including areas of national environmental treasures that should be carefully managed to ensure sustainability for future generations; and
- WHEREAS,** a wilderness designation means that the forest cannot be managed sustainably, mountain biking is prohibited, traditional uses like digging ramps are prohibited, wildlife habitat improvements cannot be made, the cost of search and rescue increases, roads are decommissioned, and access for forest users is restricted; and
- WHEREAS,** the citizens of Western North Carolina and visitors to this area use the National Forest for hiking, hunting, mountain biking, fishing, horseback riding and sustainably harvested natural resources, and these uses are an intrinsic and important part of the history and culture of our community; and

WHEREAS, upon consideration of the positive impacts of science-based, active natural resources management on forest health, water resources, fish and wildlife habitat, outdoor recreation, forest products, and other values held important by our residents and visitors; and

WHEREAS, we believe that active natural resources management enhances social and economic values through the development and maintenance of a diverse, resilient and healthy forested landscape, thus providing a sustainable National Forest ecology for future generations; and

WHEREAS, a Congressionally designated National Recreation Area does not guarantee any additional funding for management and will give support for the same area being designated a Wilderness area in the future; and

WHEREAS, the Henderson County Board of Commissioners has concern over the potentially net negative consequences of additional Wilderness Area designations in areas of these National Forests located within the County; and

WHEREAS, the Henderson County Board of Commissioners believes a National Recreation Area designation is unlikely to provide additional benefit to our citizens and visitors beyond that which already exists in the current National Forest structure;

NOW, THEREFORE, BE IT RESOLVED that the Henderson County Board of Commissioners do hereby strongly oppose the designation of any Wilderness, National Recreation Area, or other congressional designations on the National Forest System lands in Henderson County.

In witness whereof I have hereunto set my hand and caused the seal of the County of Henderson to be affixed.

Adopted this the 17th day of February, 2016.
