

## REQUEST FOR BOARD ACTION

### HENDERSON COUNTY BOARD OF COMMISSIONERS

**MEETING DATE:** October 18, 2017

**SUBJECT:** Budget Amendment – Asset Forfeiture Fund Transfer

**PRESENTER:** Captain Bengy Bryant

**ATTACHMENTS:** Yes

1. Budget Amendment
2. Item Quotes

#### SUMMARY OF REQUEST:

The Sheriff's Department is requesting that the Board approve the BA to transfer funds from the US Treasury (114431-451004) and US DOJ (114431-451005) for the purchase of Viper Radios, Detention door sweeps & slider parts, SMART 911, VIP vehicles & STAR Team Equipment.

Viper radios are needed to assist us in successfully participating in incident command situations, especially those that involve multiple agencies locally and across the state. The door sweeps will help prevent inmates from passing contraband to one another. SMART 911 is an invaluable service that allows our citizens an online safety profile with crucial information such as health issues, photographs, pet information, or special rescue notes etc. This information is available to first responders when the citizen calls 911. The two vehicles will assist our VIP's in maximizing their efforts as a force multiplier within our community. They assist the Sheriff with his strategic plan and saving our community an estimated \$95,700.00 while performing a variety of duties requiring vehicles such as Funeral Escorts, Neighborhood Patrols, School Security checks, Meals on Wheels and assistance during emergency events. The EMS STAR team is in need of emergency protective equipment that will assist them in responding and providing our SWAT team with in the field and on scene medical support during high risk operations.

#### BOARD ACTION REQUESTED:

The Board is requested to approve the attached Budget Amendment to appropriate funding necessary to purchase this equipment and service.

#### Suggested Motion:

*I move the Board of Commissioners approve the attached Budget Amendment to appropriate funding necessary to purchase this equipment and service.*

	<p>Initial programming is included for free. Radios carry a 3-year manufactures warranty.</p> <p>This radio is compatible with the same chargers and shoulder mics currently being used. Batteries from the newer radios such as the NX-5200K2(VHF Backups) located in dispatch are compatible. Batteries associated to the NX-00 series which are carried by patrol are not compatible with this radio as the NX-00 design is being discontinued.</p> <p>The NX-5400 is less expensive than the Motorola and EFJ(owned by Kenwood) and is approved for use on VIPER, Buncombe County system, City of Asheville system and Palmetto 800 system. Greenville County, SC recently completed a review comparing the Motorola APX series, Harris, Tait, EFJ and Kenwood brands of 800Mhz radios for use on Pal800. After physical abuse, environmental, audio quality, ease of use, RF performance, durability and product life cycle cost of ownership tests and examinations Greenville County selected the Kenwood NX-5400 as the top performing radio and was purchased for use across the County.</p>

**Subject:** US Treasury Funds

Good Afternoon-

I wanted to get back with you on the Detention Center 'door sweeps' and the question of, '*Can the US Treasury Asset Forfeiture Funds pay for this?*'

Yes, it can pay for this so once an official quote is obtained, we can proceed. Capt. Bryant will have to do a budget amendment to use these funds before we actually do however.

### **NISSAN ROGUE S AWD SPECIFICATION #365**

#### **2017 Nissan Rogue Model S AWD**

The Nissan Rogue Model S AWD purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and NCSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

<b>ZONE:</b>	<b>★ Appalachia</b>	<b>★ Dogwood</b>	<b>★ Cardinal</b>	<b>★ Longleaf Pine</b>
<b>BASE PRICE:</b>	<b>\$21,284.00</b>	<b>\$21,234.00</b>	<b>\$21,234.00</b>	<b>\$21,309.00</b>

While the North Carolina Sheriffs' Association has attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

**NOTE:** An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.
