SUMMARY OF REQUEST:

The Edneyville Community Advisory Committee, formed by the Board of Commissioners on April 7, 2008, is to serve in an advisory role responsible for developing and recommending a community-specific comprehensive plan for the Edneyville Planning Area. After well over a year of monthly meetings, holding two public input sessions, and receiving information from County staff and relevant experts, the Committee has completed the Draft Edneyville Community Plan. The Planning Board received a copy of the Draft Edneyville Community Plan at its meeting on November 15, 2009.

The December 17, 2009 Planning Board meeting will be a joint meeting with the Edneyville Community Plan Advisory Committee. Mr. Gary Griffin, Chair of the Edneyville Community Plan Advisory Committee, will present a PowerPoint highlighting each section and recommendation of the Draft Plan. Mr. Griffin and the members of the Committee will also be available to answer any questions the Board may have.

Please review the Draft Plan and bring your copy to the December 17, 2009 meeting. If the Board has any questions or comments about the Plan that they would like to submit ahead of time, Staff will try to prepare the information to be distributed prior to the meeting.
