

PUBLIC COMMENT SIGNUP SHEET

SEPTEMBER 20, 2017

Pursuant to N.C. Gen. Stat. §153A-52.1, the Henderson County welcomes public comment at its meetings. Please note that each speaker is limited to three (3) minutes, unless a different time limit is announced. Also, the Board may adopt rules limiting the number of persons speaking taking the same position on a given issue, and other rules regarding the maintenance of good order.

Each speaker should be aware and by their signatures hereto they agree that their comments may be recorded (by audio-visual recordings, photography or other means), and may be (but are not required to be) broadcast by the County as a part of the broadcast of this meeting, or as a part of the County's programming on its local video channel(s). By their signature they further agree that Henderson County is and will be the sole owner of all rights in and to such programming. The undersigned hereby indemnifies Henderson County, its employees and agents, against any and all claims, damages, liabilities, costs and expenses arising out of the use of the undersigned's images and words in connection therewith.

REQUEST FOR BOARD ACTION

**HENDERSON COUNTY
BOARD OF COMMISSIONERS**

MEETING DATE: 20 September 2017

SUBJECT: Set public hearing for economic development incentives for Microtech Knives, Inc.

PRESENTER: Charles Russell Burrell

ATTACHMENTS: None

SUMMARY OF REQUEST:

The Board is requested to set a public hearing.

The requested date and time for the public hearing is October 2, 2017, at 5:30 o'clock p.m..

SUGGESTED MOTION:

I move that the Board set a public hearing on October 2, 2017, at 5:30 o'clock p.m. regarding Set public hearing for economic development incentives for Microtech Knives, Inc..

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN pursuant to N.C. Gen. Stat. §158-7.1 that the Henderson County Board of Commissioners will hold a public hearing on October 2, 2017, at 5:30 p.m., or as soon thereafter as the Board can consider the matter, to consider the request of a company, Microtech Knives, Inc. ("Microtech") for economic development incentives.

Microtech is a manufacturing concern located inside Henderson County contemplating an expansion of their manufacturing operation in Henderson County.

Under the project as proposed, the public benefit to be derived from the capital project is a total taxable capital investment by Microtech of at least \$1,100,000.00 in real property improvements (new construction), and \$1,257,000.00 in business personal property (equipment). The project would result in the creation of twenty-five (25) new jobs, at an average wage in excess of the average wage in Henderson County for full-time employment, plus other benefits. The contemplated incentives would last for a period of five (5) years. The first year's contemplated incentive, if granted, would be not more than \$9,321.94, based on the new investment, the number of new employees, and the Board's incentives guidelines. The maximum amount of incentives to be considered in this grant over the five years would be \$41,283.14.

Henderson County will consider granting assistance toward actual start-up expenditures incurred in the investment of Microtech.

If approved, the request would be funded through the general property tax revenue. The hearing will be held in the Commissioners Meeting Room of the Historic Courthouse, located at 1 Historic Courthouse Square, Hendersonville, NC. The public is invited to attend and comment.

Teresa L. Wilson, Clerk to the
Henderson County Board of Commissioners

Petition to STOP the proposed widening of Kanuga Rd. from Hebron Rd. to Erkwood/State St.

The proposed widening of Kanuga Rd. from Hebron Rd to State St/ Erkwood Dr. would destroy private property, significantly decrease the value of homes and destroy the aesthetic appeal of the street. This section of Kanuga Rd. is almost entirely residential. The amount of traffic currently utilizing Kanuga Rd. does not support this project or the addition of a bike lane that does not connect to other bike lanes and is only one mile long. Foot traffic in this area does not support the need for adding a 5 ft sidewalk. These changes would widen the current corridor by 22 feet. This would destroy many front lawns, trees, fences, walls and animal habitat of birds, raccoons, opossums, rabbits, squirrels, and voles (who are considered endangered in NC).

Please sign below if you are opposed to widening this street.

Petition to STOP the proposed widening of Kanuga Rd. from Hebron Rd. to Little River Rd.

The proposed widening of Kanuga Rd. from Hebron to Little River Rd. would destroy private property, significantly decrease the value of homes and destroy the aesthetic appeal of the street. This section of Kanuga Rd. is almost entirely residential. The amount of traffic currently utilizing Kanuga Rd. does not support this project or the addition of a bike lane that does not connect to other bike lanes and is only one mile long. Foot traffic in this area does not support the need for adding a 5 ft sidewalk. These changes would widen the current corridor by 22 feet. This would destroy many front lawns, trees, fences, walls and animal habitat of birds, raccoons, opossums, rabbits, squirrels, and voles (who are considered endangered in NC).

Please sign below if you are opposed to widening this street.
