Return on Investment for Western Carolina Community Action

Example

Self Sufficiency Program

12/19/2013

Question: What is the **Return on Investment** of the PLAN PROGRAM?

Answer: Based on information from a North Carolina Community Action representative who is responsible for computer monitoring for the State, it costs approximately \$30,428 per year for an unemployed person who requires public assistance. Our proposal of bringing 10 persons from poverty to self-sufficiency will result in a return of \$12.17 per every dollar invested in the program. I have used the formula below to ascertain this answer. To assure that our goal is achieved; clients who leave the program will be replaced with clients on the waiting list, keeping the on-going number of participants at 10.

\$8.00 per hour x 40 hours x 50 weeks =	\$16,000.00
\$16,000.00 x 15% for taxes =	\$2,400.00
<u>\$16,000.00 x 25% for benefits =</u>	<u>\$4,000.00</u>
Added revenue for the family and the community	\$22,400.00
	+
Average amount of Food Stamps for WCCA Community Services Block Grant Client \$396.00/month x 12 =	\$4,752.00
<u>NC unemployment insurance payment \$126.00** x 26 weeks =</u>	<u>\$3,276.00</u>
Total per client in reduced benefits per year	\$8,028.00

Return on Investment from employment revenue, taxes paid and benefits earned **plus savings to taxpayers in eliminated unemployment benefits and reduced or eliminated food stamp benefits** = \$30,428.00*

\$30,428.00* per participant x 10 participants = \$304,280.00

\$25,000.00(amount of grant funds requested) = \$12.17 or every \$1.00 invested in the program returns \$12.17 in benefits. 304,280/25,000

**The lowest amount that our clients received in unemployment benefits weekly.

- WHEREAS,** the Patient Protection and Affordable Care Act (PPACA) of 2010 has been passed into law and has begun to go into effect; and
- WHEREAS,** Henderson County Government provides a substantial healthcare benefit for its employees and covered dependents at a substantial cost to the taxpayers of Henderson County; and
- WHEREAS,** Henderson County Government has diligently worked to provide these benefits while managing the costs in an effective manner thereby complying with the intent of the law to “provide affordable care”; and
