COUNTY OF HENDERSON

BOARD OF COMMISSIONERS  
MARCH 4, 1991

The Henderson County Board of Commissioners met for a regularly scheduled meeting at 7:00 p.m. in the Commissioners' Meeting Room of the Henderson County Office Building.

Those present were: Chairman J. Michael Edney, Vice-Chairman Vollie G. Good, Commissioner F. Richard Baker, Commissioner Hugh D. Randall, Commissioner William McKay, County Attorney Don H. Elkins, Interim County Manager Jerry D. Myers, Finance Director David E. Nicholson, Clerk to the Board Elizabeth W. Corn, and the news media.

CALL TO ORDER/WELCOME

Chairman Edney called the meeting to order and welcomed all in attendance.

PLEDGE OF ALLEGIANCE

Commissioner McKay led in the pledge of allegiance.

INVOCATION

Charles Evans of Pinecrest Presbyterian Church gave the invocation.

REVIEW OF MINUTES

The minutes of the January 29, 1991 meeting were presented for review as were the minutes of the January 30 and the February 20 meetings.

Commissioner Good made the motion that the minutes stand approved as presented. All voted in favor and the motion carried.

DISCUSSION/ADJUSTMENT OF AGENDA

Chairman Edney moved nominations, item "J" until after Executive Session. Mr. Myers rearranged the order of the Mud Creek Water & Sewer District agenda:

1. Southern Railroad Encroachment Agreement
2. Capacity study.
3. Sewer line extension request.

PUBLIC HEARING

Chairman Edney recognized Mr. Matteson to address this rezoning request and opened the Public Hearing.

Mr. Matteson stated that this is a public hearing for the rezoning of a 7.1 acre parcel in the Henderson County zoning district which

March 4, 1991

Page 2

is now zoned T-15, residential and mobile homes. Request has been made to rezone a portion of that to C-4, highway and commercial. A portion of the property is already in the C-4 district. Request is made by Spartan Heights Mobile Home Park, Inc.

Mr. Matteson said that the Henderson County Planning Board has heard the request and on January 29 made a favorable recommendation with unanimous vote to recommend the rezoning be approved. Mr. Matteson pointed out the property in question on a map.

Chairman Edney directed the Clerk to call the names of anyone who has signed up to be heard at this public hearing.

Ed Groce- Mr. Groce is an Attorney locally, he spoke on behalf of the petitioners. Mr. Groce stated that this property has been used in a C-4 fashion for many years. Mr. Groce informed the Board that the adjoining property owners have been notified.

Ralph Ledford- Mr. Ledford is owner/operator of Spartan Heights Mobile Home Park, Inc. He said that he has no plans for the property at this time, he is requesting C-4 as the adjoining property is zoned C-4. Mr. Ledford feels this would be the best zoning for this particular piece of property for himself and for the county.

There was discussion.

Chairman Edney closed the public hearing.

Commissioner Good made the motion to approve the request for rezoning from T-15 to C-4 as recommended by the Planning Board. All voted in favor and the motion carried.

#### PUBLIC INPUT

Carole Dunn- Mrs. Dunn is Co-Chair of Citizens for Responsible Waste Management. She handed out a packet of information - local citizens who are willing to serve on the Solid Waste Advisory Committee. She reviewed the list with the Board.

Ed Emrich- Mr. Emrich lives in Sweetwater Hills. He spoke on Cable T.V. He is unhappy with Multivision as they cannot get a commitment for cable in the subdivision.

William Bennett- Mr. Bennett lives off North Rugby in a subdivision adjacent to Sweetwater Hills, Rugby Hollow. He also spoke of his dissatisfaction with Multivision for the same reason.

Jim Cameron- Mr. Cameron spoke on Cable T.V., he feels that Henderson County should be accepting bids from other Cable Companies. Mr. Cameron reviewed parts of the Ordinance.

March 4, 1991

Page 3

Earl Harris- Mr. Harris lives at 334 Mockingbird Drive in Staton Woods. He is also upset because he cannot get Cable T.V., the cable stops 300 ft. from his house.

ROAD PETITION- Oak Ridge Road (add)

Mr. Myers reminded the Board that this particular petition was on the agenda on February 4 but there was a question as to what they were requesting. Calls have been made since then and they wish for N.C. Department of Transportation to add this road to the state maintenance system.

Mr. Matteson stated that this is a road name duplication, not an exact duplication. The root name OAK has been used in 38 streets in Henderson County as a root word, there also is an Oak Ridge Drive. Henderson County Planning Dept. is recommending that they come up with an alternative name.

Commissioner McKay made the motion to approve this and forward to N.C. Department of Transportation by State Road number subject to the residents and the Planning Dept. working on an alternate name. All voted in favor and the motion carried.

AMERICA'S PRIDE

Doley Bell, Jr. addressed the Board. Mr. Bell is Vice-Chairman of America's Pride. Mr. Bell reminded the Board that last year about this time their group came before the Board requesting money for their drug prevention conference. The Board appropriated \$1,500 last year. They are requesting \$1,000 donation from the Board this year to help send eleven of their members to the annual drug prevention conference in Nashville, Tennessee, plus three chaperons.

Mr. Bell recognized Glenda Lancaster, Chairperson of America's Pride and Mr. Hardin (a parent) who will be one of the chaperons, and Dottie Watson, Treasurer. He also introduced Cindi Landers and Heather Landers.

Commissioner McKay made the motion to approve their request of \$1,000 and take this money from contingencies. All voted in favor and the motion carried.

OPERATION YELLOW RIBBON

Mr. Myers informed the Board that the Operation Yellow Ribbon Teen Support Group is planning a Youth Parade and Rally to show their support and concern for our military. The group is asking Board permission to use the courthouse steps and lawn for a rally on March 23, beginning at 11:00 a.m. for a couple of hours.

March 4, 1991

Page 4

Commissioner Baker made the motion to grant the request. All voted in favor and the motion carried.

CATV FRANCHISE APPLICATION-Multivision

Mr. Myers informed the Board that an application has been received from Multivision CATV, a subsidiary of US Cable Television Group, L.P. for franchise renewal. Mr. Matteson, Mr. Elkins, and Mr. Myers have begun a review process of the document. It must be compared to the Cable Ordinance and the 1984 Cable Deregulation Act and certain North Carolina Statutes related to the granting of franchises by local Boards of County Commissioners. The process must be completed by July of 1991 when the current franchise expires. Mr. Myers is not requesting any action from the Board at this time. Mr. Myers stated that the Board may want to consider reactivating the Cable T.V. Study Committee.

Chairman Edney recognized members of Multivision's staff who are in attendance and asked if any of them wished to speak.

Mark Jennings- Mr. Jennings is Vice-President of Government Affairs for Multivision. Multivision is a limited partnership, no stockholders. There was much discussion.

Mr. Jennings stated that the new Ordinance, adopted in 1989, requires a \$10,000 application bond. He is requesting that this bond be waived for Multivision, in view of the substantial investment they already have made in the county.

Mr. Jennings said that there are a few additional items from the Ordinance that he has a problem with, he will be supplying a document to Mr. Myers of their concerns at Multivision with the Ordinance, point by point.

Chairman Edney stated that the Board needs to take two actions tonight: 1. The Board needs to request Commissioner Baker to chair the Henderson County Cable Review Committee and re-instate that Committee, and 2. Hold off on the request regarding the application bond and allow the Review Committee to make a recommendation on that. Chairman Edney said he would further like the Board to authorize this Committee to obtain the help of expert aid if necessary, to assist in the franchise renewal process.

Commissioner Good made the motion to reinstate the Cable Review Committee and to give them clout to hire technical or specialized assistance, if needed, and to report back to this Board with a request for funds to hire. Part of the motion was to ask the committee to report back to the Board of Commissioners with a recommendation concerning the application bond. All voted in favor and the motion carried.

#### ROAD REPAIR REQUEST

Mr. Myers informed the Board of a request from Mr. Larry Stocker of 117 Glendale Avenue. He is calling attention to the condition of Glendale Avenue and Jordan-Seneca Road. Mr. Stocker is blind and walks the road with his dog. There is a question of some discretionary funds which might be made available to repair these roads. Mr. Stocker is requesting that the Board of Commissioners consider his request and forward a recommendation to the N.C. Department of Transportation.

Commissioner McKay recommended that the Board send this to N.C. Department of Transportation with a request to give this special consideration.

#### TAX RELEASES

Robert Baird informed the Board of 1277 release requests that have accumulated over the past few months, 845 of these dealing with the Board of Equalization and Review changes. There was one typographical error in the list, page 4 - Margaret Y. Colt should be \$216.00 rather than \$2.16.

Mr. Baird has reviewed all releases and supporting documentation is on file in his office.

Commissioner McKay made the motion to approve these releases as recommended by Mr. Baird, County Tax Assessor. All voted in favor and the motion carried.

#### TAX REFUNDS

Robert Baird informed the Board of 737 tax refund requests, 642 of which are a result of changes by the Board of Equalization and Review.

Mr. Baird has reviewed all refund requests and supporting documentation is on file in his office.

Commissioner McKay made the motion to approve these refunds as recommended by Mr. Baird, County Tax Assessor.

Commissioner Good asked where the money will come from for these refunds and releases. Mr. Nicholson said the best way to handle the refunds is to take \$43,000 from contingencies. Mr. Nicholson also said that the \$8,210 for releases should come out of each tax district's account.

Mr. McKay included the Finance Director's recommendation in his motion. A vote was taken and the motion carried unanimously.

Dear Mr. Edney:

Please find enclosed an accumulation of releases, the majority of which are a result of the 1990 Board of Equalization and Review decisions.
