

# PUBLIC COMMENT SIGNUP SHEET

MARCH 21, 2018

Pursuant to N.C. Gen. Stat. §153A-52.1, the Henderson County welcomes public comment at its meetings. Please note that each speaker is limited to three (3) minutes, unless a different time limit is announced. Also, the Board may adopt rules limiting the number of persons speaking taking the same position on a given issue, and other rules regarding the maintenance of good order.

Each speaker should be aware and by their signatures hereto they agree that their comments may be recorded (by audio-visual recordings, photography or other means), and may be (but are not required to be) broadcast by the County as a part of the broadcast of this meeting, or as a part of the County's programming on its local video channel(s). By their signature they further agree that Henderson County is and will be the sole owner of all rights in and to such programming. The undersigned hereby indemnifies Henderson County, its employees and agents, against any and all claims, damages, liabilities, costs and expenses arising out of the use of the undersigned's images and words in connection therewith.

**Public Comments**  
**Henderson County Board of Commissioners**  
**March 21, 2018**

Good morning. My name is Bill Burchill. I am a 10-year resident of Henderson County living in the Foxwood Subdivision on Stoney Mountain. And, I am a retired engineer. Thank you for allowing me to provide comments to this meeting.

My comments this morning concern the proposed Balfour Parkway. Last Wednesday I sent to each of you an analysis of the traffic congestion conditions that the NCDOT Project Plan states will be relieved by the Balfour Parkway. I offered to discuss the analysis with you at your convenience. Today I again extend that offer. I would be happy to meet with you either as a group or individually.

The primary purpose of the Balfour Parkway stated in the Project Plan is "to improve east-west vehicular mobility in Henderson County." However, the basic premise of the Parkway, also clearly stated in the Project Plan, is to relieve "recurring congestion and excessive travel delays" due to "the volume of traffic traveling through downtown Hendersonville."

That premise is incorrect because

- (1) The traffic congestion cited in the Plan on U.S. 64, U.S. 25 Business, and N.C. 191 is due almost entirely to local traffic, not east-west through traffic, and
- (2) This congestion will not be relieved by the Balfour Parkway.

My analysis is based on ten years of observations of traffic on the roadways stated to be of concern. The conclusions of that analysis are

1. The sources of traffic congestion are readily observable and are well understood.
2. East-west through traffic is a negligible contributor to this congestion.
3. Congestion due to east-west through travel by large trucks is essentially non-existent.

I analyzed traffic conditions that exist today. I did not analyze traffic conditions in 2040, the design year of the Balfour Parkway. However, since I sent you my analysis, the NCDOT has been kind enough to give me their "Project Level Traffic Forecast" prepared in October 2016. That report provides their forecasts of traffic in the Balfour Project study area in 2040.

I conclude from an initial review of the NCDOT forecasts that the traffic congestion sources in 2040 will be unchanged from those that exist today. In fact, the report, itself, includes the statement that "there is limited development activity that would greatly alter existing traffic patterns in the future year of 2040 within the project study area."

I have submitted my analysis to the NCDOT at the points of contact identified in the Project Plan in response to their solicitation of public comments.

I also have widely distributed the analysis to County residents in neighborhoods that would be negatively impacted by the Parkway. Last Saturday I made a presentation of the analysis to 63 of those residents, many of whom are in this room. I ask them to stand.

Thank you very much for the time you have given me in this meeting. I urge you to consider carefully the conclusions that I have presented today. Again, I am available to meet with you at your convenience. Thank you.

Respectfully submitted by Bill Burchill, 31 J P Huggins Drive, Hendersonville, NC, 828-595-4399, [burchill@tamu.edu](mailto:burchill@tamu.edu)

Re: Proposed widening of White Street or Hebron  
project and use of Roundabouts

To: DOT, City of Hendersonville, Henderson Co. Commissioners,  
Transportation Advisory Committee

This letter is a follow-up concerning the growing concern over the proposed plans to widen White Street or Hebron and the use of a roundabout.

We have gathered 332 more signatures to add to the already 905 gathered, with more signatures being added daily. To date, the signatures total 1237.

We find the overwhelming consensus among people living, working and shopping in this area are strongly opposed to the use of a roundabout and the widening project due to the concern for the destruction of business property and jobs for the businesses and residences affected.

We ask for the project to be placed on hold until it can be re-examined with the primary intent and focus on saving businesses and property within this area. We ask our community leaders to be involved in the process, listen to our concerns and work to an agreeable solution.

# PETITION TO STOP WIDENING PROJECT

## ON WHITE STREET AND/OR HEBRON ROAD

The proposed widening project would close or severely damage 90% or more of local businesses and several residences on White Street and Hebron Road. SAVE OUR SMALL BUSINESSES! This petition also serves to STOP any proposed round-about(s) within this area with objections to the large footprint taking more property than necessary, and safety concerns of maneuvering round-a-bouts in a predominately senior population and heavy tourist area. The following signatures are from people who live, work and/or travel frequently in this area and support local businesses.

## PROCLAMATION - PROCLAIMING MARCH AS NATIONAL ATHLETIC TRAINING MONTH IN HENDERSON COUNTY

**WHEREAS**, athletic trainers have a long history of providing quality health care for athletes and those engaged in physical activity based on specific tasks, knowledge and skills acquired through their nationally regulated educational processes; and

**WHEREAS**, athletic trainers provide prevention of injuries, recognition, evaluation and aggressive treatment, rehabilitation, health care administration, education and guidance; and

**WHEREAS**, the National Athletic Trainers' Association represents and supports 43,000 members of the athletic training profession employed in the following settings: professional sports, colleges and universities, high schools, clinics and hospitals, corporate and industrial settings and military branches; and

**WHEREAS**, leading organizations concerned with athletic training and health care have joined together in a common desire to raise public awareness of the importance of the athletic training profession and to emphasize the importance of quality health care within the aforementioned settings; and

**WHEREAS**, such an effort will improve health care for athletes and those engaged in physical activity and promote athletic trainers as health professionals;

**NOW, THEREFORE, BE IT RESOLVED** that the Henderson County Board of Commissioners do hereby proclaim the month of March as National Athletic Training Month in Henderson County and urge the citizens of the County to learn more about the importance of athletic training.

In witness whereof I have hereunto set my hand and caused the seal of the County of Henderson to be affixed.

Adopted this the 21st day of March, 2018.

**In support of a request for an increase in State Funding for the safety of our students and schools**

- WHEREAS,** Currently, Henderson County Public Schools receive \$37,838 per high school to fund SROs/School Security, and as a school system, we currently transfer \$151,352 in pass through funding from the state to our local government to provide school security; and
- WHEREAS,** This funding does not fully cover the expenses for the high schools, and does not provide any school security coverage at our middle or elementary schools, an increase in school security funding is greatly needed to relieve the burden on local government to provide school security in all K-12 schools; and
- WHEREAS,** Using the [state] budgeted \$37,838 as the amount allocated per high school, we would need an additional \$681,084 to help staff security at each of our Henderson County schools, and please understand that this does not cover the entire cost of law enforcement personnel, and this allotment projection is an estimate using current state public school funding; and
- WHEREAS,** Henderson County Public Schools provide guidance counselors, media coordinators, psychologists, tutors, and remediation assistants, and each of these staff members play a tremendous role in the success of Henderson County Public Schools. However, there is no funding for school social workers during these trying times, when mental health support is at a critical need; and
- WHEREAS,** The School Social Worker (SSW) and/or Student Support Counselor (SSC) promotes and enhances the overall academic mission by providing services that strengthen home, school, and community partnerships and addresses barriers to learning and achievement. The SSW or SSC significantly contributes to the development of a healthy, safe, and caring environment. The cost of a SSW is approximately \$60,000 per worker; therefore, with one per school, the total would be approximately a \$1.4 million increase.

**NOW, THEREFORE BE IT RESOLVED** that the Henderson County Board of Commissioners do hereby request an increase in State Funding for continued support of our school system and safety of our students by the North Carolina General Assembly to reduce the burden on our local government.

Adopted this 21st day of March, 2018.

**REQUEST FOR BOARD ACTION**

**HENDERSON COUNTY  
BOARD OF COMMISSIONERS**

**MEETING DATE:** March 21, 2018  
**SUBJECT:** Budget Amendment – School Security  
**PRESENTER:** Steve Wyatt  
**ATTACHMENTS:** Yes  
1. Budget Amendment

**SUMMARY OF REQUEST:**

A budget amendment to provide for funding for the Henderson County Public Schools to contract with Henderson County Sheriff's deputies for additional security at the schools is attached. The amendment is in the amount of \$187,200, and provides for 6,240 hours of additional security.

The amount is in keeping with the "Extra Duty" hourly fee for security, as approved in the FY17-18 Fee Schedule. The Fee Schedule also includes a \$5.00 per hour per officer equipment charge, which the Board is requested to waive for the Public School System.

**BOARD ACTION REQUESTED:**

The Board is requested to approve the Budget Amendment as presented, and waive the \$5.00 equipment fee.

**Suggested Motion:**

*I move the Board approve the Budget Amendment as presented, and waive the \$5.00 equipment fee.*
