

REQUEST FOR BOARD ACTION

HENDERSON COUNTY

BOARD OF COMMISSIONERS

MEETING DATE: May 6, 2019

SUBJECT: Cancellation of Stormwater and Sedimentation Control Ordinance enforcement agreement with Town of Columbus

PRESENTER: Charles Russell Burrell

ATTACHMENT(S): None

SUMMARY OF REQUEST:

During budget preparation, staff has determined that it would be in the County's interest to cancel the November 18, 2013, Stormwater and Sedimentation Control Ordinance enforcement agreement with the Town of Columbus, as no longer economically in the County's interest. Under the terms of that Agreement, at least four-months' notice of termination must be given, and terminations can only occur at the end of the months of June or December. It is proposed that immediate notice be given that the County will terminate the Agreement effective December 31, 2019.

County staff will be present and prepared if requested to give further information on this matter.

BOARD ACTION REQUESTED:

Termination of the agreement with the Town of Columbus.

If the Board is so inclined, the following motion is suggested:

I move that the Board terminate its Stormwater and Sedimentation Control Ordinance enforcement agreement with the Town of Columbus effective December 31, 2019, and give immediate notice of the termination to the Town of Columbus.
