In the United States (We Include U.S. Possessions and Territories as Part of the United States for Warranty Purposes): Warranty service must be done by an authorized Chrysler, Dodge, Jeep or Ram dealer. If you move within the United States, warranty service may be requested from any authorized Chrysler, Dodge, Jeep or Ram dealer.

In Canada and Mexico: If you are traveling temporarily in Canada or Mexico, and your vehicle remains registered in the United States, your FCA US warranty still applies. Service may be requested at any authorized Chrysler, Dodge, Jeep or Ram dealership.

**WHAT IS NOT COVERED UNDER THIS FCA US LLC LIMITED WARRANTY**

**Some Modifications Don't Void the Warranty But Aren't Covered**

Certain changes that you might make to your vehicle do not, by themselves, void this warranty. Examples of some of these changes are: (a) installing non-FCA US LLC ("FCA") parts, components, or equipment (such as a non-FCA radio or speed control); and (b) using special non-FCA materials or additives.

But your warranty does not cover any part that was not on your vehicle when it left the manufacturing plant or is not certified for use on your vehicle. Nor does it cover the costs of any repairs or adjustments that might be caused or needed because of the installation or use of non-FCA parts, components, equipment, materials, or additives.

Performance or racing parts are considered to be non-FCA parts. Repairs or adjustments caused by their use are not covered under your warranty. Examples of the types of alterations not covered are: (a) installing accessories - except for genuine FCA / MOPAR accessories installed by an authorized Chrysler, Dodge, Jeep or Ram dealer; (b)

applying rustproofing or other protection products; (c) changing the vehicle's configuration or dimensions, such as converting the vehicle into a limousine or food service vehicle; or (d) using any refrigerant that FCA has not approved.

**Environmental Factors Not Covered**

Your warranty does not cover damage caused by environmental factors such as airborne fallout, bird droppings, insect damage, chemicals, tree sap, salt, ocean spray, acid rain, and road hazards. Nor does your warranty cover damage caused by hailstorms, windstorms, tornadoes, sandstorms, lightning, floods, and earthquakes.

Your warranty does not cover conditions resulting from anything impacting the vehicle. This includes cracks and chips in glass, scratches and chips in painted surfaces, or damage from collision.

**Maintenance Costs Not Covered**

Your warranty does not cover the costs of repairing damage caused by poor or improper maintenance. Nor does it cover damage caused by the use of contaminated fuels, or by the use of fuels, oils, lubricants, cleaners or fluids other than those recommended in your Owner's Manual.

The warranty does not cover the costs of your vehicle's normal or scheduled maintenance - the parts and services that all vehicles routinely need. Some of these parts and services, which your warranty does cover, include: (a) lubrication; (b) engine tune-ups; (c) replacing filters, coolant, spark plugs, bulbs, or fuses (unless those costs result from a covered repair); (d) cleaning and polishing; and (e) replacing worn wiper blades, worn brake pads and linings, or clutch linings.

Your warranty does not cover the following: (a) corrosion caused by accident, damage, abuse, or vehicle alteration; (b) surface corrosion caused by such things as industrial fallout, sand, salt, hail, ocean spray, and stones; (c) corrosion caused by the extensive or abnormal transport of caustic materials like chemicals, acids, and fertilizers; and (d) corrosion of special bodies, body conversions, or equipment that was not on your vehicle when it left the manufacturing plant or was not supplied by FCA.

FCA will deny warranty coverage without notice if it learns that a vehicle is ineligible for coverage for any of these reasons.

**Restricted Warranty**

Your warranty can also be restricted by FCA. FCA may restrict the warranty on your vehicle if the vehicle is not properly maintained, or if the vehicle is abused or neglected, and the abuse or neglect interferes with the proper functioning of the vehicle. If the warranty is restricted, coverage may be denied or subject to approval by FCA before covered repairs are performed.

**Registration and Operation Requirements**

This Limited Warranty covers your vehicle only if: (a) it is registered in the U.S.; (b) it is driven mainly in the U.S. or Canada, and (c) it is operated and maintained in the manner described in your Owner's Manual.

**Other Terms of These Limited Warranties**

Punitive, exemplary or multiple damages may not be recovered unless applicable state or local law prohibits this disclaimer. No person, including FCA US LLC employees or dealers, may modify or waive any part of this Limited Warranty.

**General Information**

It's your responsibility to properly maintain and operate your new vehicle. Follow the instructions contained in the General and Scheduled Maintenance Service guidelines in your Owner's Manual. Regular, scheduled maintenance is essential to trouble-free operation. If there is a dispute between you and FCA US concerning your maintenance of your vehicle, FCA US will require you to provide proof that your vehicle was properly maintained.

BASE PRICE:	\$24,970.00	\$24,970.00	\$24,947.00	\$24,970.00

While the North Carolina Sheriffs' Association has attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.
