SUMMARY OF REQUEST:

In 2015, the NC General Assembly enacted Session Law 2015-245, which directed the Department of Health and Human Services (DHHS) to transition Medicaid and NC Health Choice from fee-for-service to managed care. The transition of beneficiaries to managed care is being rolled out across the state in two phases. Henderson County is included in the second group, which will begin the transition on October 1, 2019.

Christina Dupuch, Chief Community Operations Officer with Vaya Health, will provide the Board of Commissioners with an update on the status of Medicaid Transformation from the local Managed Care Organization (MCO) standpoint.

Medicaid Transformation will also have an impact on both the Department of Social Services as well as the Department of Public Health. Jerrie McFalls and Steve Smith will provide brief updates on the county perspective of Medicaid Transformation.
