

REQUEST FOR BOARD ACTION

HENDERSON COUNTY

BOARD OF COMMISSIONERS

MEETING DATE: September 3, 2024

SUBJECT: Etowah Community Sewer Advisory Committee

PRESENTER: Charles Russell Burrell

SUMMARY OF REQUEST:

This would create an advisory committee regarding the Etowah Community Sewer. Proposed is a five-member committee, appointed by this Board, to be chaired by a non-voting member of this Board. This was the same sort of system that was used for the Cane Creek Water & Sewer Advisory Committee.

County staff will be present and prepared if requested to give further information on this matter.

BOARD ACTION REQUESTED:

Creation of a sewer advisory committee for the Etowah Community Sewer.

If the Board is so inclined, the following motion is suggested:

I move that the Board create the Etowah Community Sewer Advisory Committee, to consist of five members appointed by the Board, plus a chair who is a Commissioner.
