MEETING DATE: February 3, 2025

SUBJECT: Resolution – Opioid Settlement Fund Expenditure Authorization

PRESENTER: Jodi Grabowski, Strategic Behavioral Health Director

ATTACHMENT(S): Yes

1. Budget Amendment
2. Resolution

SUMMARY OF REQUEST:

At the Board's June 19, 2024 meeting, the Board was presented with the plan for FY 24-25 for Opioid Settlement Funds. Additional funds are needed for anticipated new expenditures.

This request for authorization covers the Strategies of Recovery Support Services and Prevention. The Recovery Support Services Strategy funds support for people accessing care. This request authorizes funds for contracting services that support recovery efforts of persons involved in the Adult Recovery Court. The Prevention Strategy allows programming targeting school aged children and their caregivers. This request supports a collaborative event among non-profit agencies, faith-based agencies and the school system for prevention and intervention for school-aged children and their families.

The Board must adopt a Resolution per the Memorandum of Agreement Between the State of North Carolina and Local Governments on Proceeds Relating to the Settlement of Opioid Litigation which dictates the process for drawing from the Special Revenue Fund. Sufficient available funding exists for this requested resolution.

BOARD ACTION REQUESTED:

The Board is requested to adopt the Resolution authorizing the expenditures and revenues associated with the Opioid Settlement Fund [Fund 51] and Strategic Behavioral Health for the strategy that allows funding Recovery Support Services and a Prevention campaign.

SUGGESTED MOTION:

I move the Board adopt the Resolution authorizing the expenditures and revenues associated with the Opioid Settlement Fund [Fund 51] and Strategic Behavioral Health for the strategies funding Recovery Support Services and a Prevention campaign.
