Proposed Changes to Chapter 16-19 – Violations and Fines – Restraint/Confinement

Approved:

On November 14, 2024, the Animal Services Advisory Committee voted on proposed revisions to Chapter 16-19 - Violations and Fines. The revisions will allow Animal Enforcement to increase fines for repeat violations of Chapter 16-8 - Restraint/Confinement of domestic animals required.

16-19. Violations and Fines.

- A. Misdemeanor. The violation of any provision of this Chapter shall be a misdemeanor and any person convicted of such violation shall be punishable as provided in N.C. Gen. Stat. §14-4. Each violation of this Chapter (or if a continuing violation, each day in which the violation continues) is a separate offense. Each violation for each animal is a separate offense.
- B. Enforcement. Enforcement of this Chapter may include any appropriate equitable remedy, injunction or order of abatement issuing from a court of competent jurisdiction pursuant to N.C.G.S. 153A-123(d) and (e).
- C. Issuance of a citation by seeking to have the owner insure compliance with this Chapter. The issuance of a citation hereunder shall not affect the prosecution of a violation hereof as a misdemeanor as provided above. A citation shall:
 - 1) Give notice of the violation(s) alleged of the owner;
 - 2) State the civil penalties for such violation(s);
 - 3) State the date by which any civil penalties for such violation(s) must be paid; and
 - 4) State that the County may initiate after such date a civil action to collect the civil penalties which are and may become due.
- D. Civil fines. In addition to and independent of any criminal penalties and other sanctions provided in this article, violations of this article may also subject the offender to the civil penalties hereinafter set forth.
 - (1) The Animal Services Director, Animal Enforcement Officers, Sheriff, or Sheriff's Deputies may issue to the known owner of any animal, or to any other violator of the provisions of this Chapter, a citation. Citations so issued may be delivered in person or mailed by certified or registered mail to the person charged if that person cannot be readily found. The citation shall impose upon the violator a minimum civil penalty of \$50 or such greater amounts for offenses as may be set by ordinance. The imposed civil penalty shall be paid in full to the charging agency within 30 days of receipt of the citation assessing the civil penalty. This civil penalty is in addition to other fees or costs authorized by this Chapter.
 - (2) In the event that the owner of an animal or other alleged violator does not respond to the above-described citation, or the applicable civil penalty is not paid within the time period prescribed, a civil action may be commenced to recover the fine and costs associated with collection of the fine, and/or a criminal summons may be issued against the owner or other alleged violator of this Chapter and upon conviction, the owner shall be punished as provided by state law. The charging agency is expressly authorized to initiate and prosecute small claims actions in District Court to collect civil penalties and fees due to the County of Henderson and may call on the County Legal Department for assistance as needed.
 - (3) Each violation of this Ordinance is a separate fine. Each day in violation and each animal kept in violation are considered separate offenses and may be fined for each individually.
 - (4) The following civil penalties are hereby established for each incident violation of this Chapter:

Section Violated	Animal Service Civil Penalty Schedule Description	Civil Penalty
	*Citations shall impose upon the violator a minimum civil penalty of \$50 or such greater amounts for offenses as may be set by ordinance.	
16-7A	Interference with Animal Enforcement Officer, or agent (per incident)	\$500

Approved:

16-7B	Concealment of an animal to evade ordinance (per day of violation)	\$100
16-7E	Surrender or Reclaim Under False Pretense	\$500
16-8	Public nuisance:	
	First Violation (Deputy's discretion)	\$50
	Second Violation	\$20
16-10	Keeping a dangerous/potentially dangerous dog:	
	Unattended/loose/unrestrained (per day)	\$500
	Without tattoo/microchip (per day)	\$500
	Failing to notify of change of address or death (per day)	\$500
	Failing to present proof of transferee responsibility (per day)	\$1,000
16-11	Mistreatment of an animal (per day)	\$500
16-19E	Release of an animal from County-owned trap (per incident)	\$100
16-24	Restraint/confinement of domestic animals required	\$50
16-24	Restraint/confinement of domestic animals required	
Offence	Fine Non-aggressive animal	Fine Aggressive animal
First Violation	Warning or \$50 (Deputy's discretion)	\$100
Second Violation	\$100	\$200
Third Violation	\$150	
Forth Violation	\$200	
16-26	Prohibition of giveaways in public places per incident per animal	\$50

- (5) Any person who fails to pay a fine within period of 30 days after receiving citation shall be deemed to have committed a misdemeanor and a warrant may be issued for the person's arrest. Prosecution under this section shall require proof of the occurrence of the underlying facts giving rise to the notice of citation. The Animal Enforcement Sergeant may extend time to pay on a citation due to hardship on case by case bases.
- (6) The owner of a dangerous or potentially dangerous animal shall be strictly liable in civil damages for any injuries or property damage the animal inflicts upon a person, his property or another animal as per N.C.G.S. 67-4.4.
- (7) Violations taking place over continuous days shall be capped at 10 days per animal per violation unless there is evidence suggesting that the person has tried to interfere with Animal Enforcement Officers or obstruct justice in which case additional fines may accrue.
- (8) The final determination regarding the imposition and number of fines shall be determined by the County and alternative settlements shall be allowed where appropriate.
- (9) In accordance with Article IX Education, Section 7 of the North Carolina State Constitution, civil penalties collected under this Chapter shall be appropriated and used exclusively for maintaining free public schools.

E. Interference. It shall be unlawful for any person to interfere with, hinder, molest, resist or obstruct any employee or agent of the County of Henderson in the performance of any duty authorized by law or ordinance, or to seek to release any domestic animal in the custody of such employees or agents (including from traps, cages, or other enclosures) except as specifically provided or authorized by the County of Henderson. The penalty for any person convicted of such interference as set out in this subsection shall be \$500.00 per occurrence.

Motion: I move to approve the revisions to Chapter 16-19 as presented.

Approved:

Proposed Changes to Chapter 16-10 - Dangerous/potentially dangerous dogs restricted

On July 11, 2024, the Animal Services Advisory Committee voted to propose a change to Chapter 16-10 - Dangerous/potentially dangerous dogs restricted. The proposed change will require the owner of a dangerous dog to maintain liability insurance policy of at least \$100,000 for personal injury or death of any person resulting from an attack by such dangerous dog. The owner will be required to provide proof of insurance to the Henderson County Sheriff's Office. In addition, the owner will be required to provide immediate written notice of cancellation, reduction, or other modifications of coverage.

Chapter 16-10. Dangerous/potentially dangerous dogs restricted.

- A. General provisions. It shall be unlawful for any person to own or in any way maintain or harbor a dog that is dangerous/potentially dangerous, except as provided in this Chapter. Notwithstanding any exemption listed below, any dog which has killed a person shall be immediately euthanized by the Animal Service Center.
1. Reporting requirement. Any attack or biting by a dog upon a person, livestock, or domestic animal; transfer, gift, sale or other conveyance of ownership or possession of a dangerous or potentially dangerous dog; confinement to a Veterinary facility; removal from territorial jurisdiction of the county; animal's death must be reported by any of the following individuals:
 - a. owner, keeper, harbinger of a dog deemed dangerous/ potentially dangerous or of a dog who has attacked or bitten a person or domestic animal;
 - b. victim of or person witnessing such of an attack or biting;
 - c. veterinarian treating a domestic animal for such an attack or biting;
 - d. Health care professional treating a person for such an attack or biting.
 2. The report must be made to the Sheriff's Office within 24 hours of the event.
 3. Failure to report an incident within 24 hours may result in criminal and civil penalties under this Ordinance and personal liability in subsequent incidents.
- B. Exemptions. The provisions of this chapter do not apply to dogs causing injuries when:
1. Used by law enforcement agencies to carry out official law enforcement duties;
 2. Functioning lawfully as hunting or herding dogs, or in controlling predators on the property of, or under control of, the owner when performing duties appropriate to said functions;
 3. Protecting the owner or owner's premises from trespassers and other criminal perpetrators while on its owner's premises;
 4. Protecting itself or its young from assault, torment, or abuse.
- C. Declaration of dangerous/potentially dangerous dog. The Sheriff or his/her designee shall have the authority to declare a dog to be a dangerous/potentially dangerous dog. Any determination that a dog is dangerous/potentially dangerous shall be made in writing summarizing the available evidence and which shall be delivered or mailed by certified or registered mail to the owner. The written determinations shall order compliance with the appropriate provisions of this ordinance and may impose reasonable conditions to maintain the public health and safety.
- D. Appeal. Any person who owns a dog that has been declared dangerous/potentially dangerous shall have the right to appeal this decision to the Animal Services Appellate Board.
1. Manner of appeal. The owner of a dog declared dangerous/potentially dangerous must request an appeal of the determination in writing. The written appeal must be submitted to the Animal Service Director, and must be received by the Animal Service Director or postmarked within 5 calendar days of the receipt by the owner of notice of the declaration.
 2. Pending the appeal, the owner of a dog declared dangerous/potentially dangerous shall comply with the provisions of § 16-10E.
 3. Hearing procedures. Once properly appealed, the Animal Service Appellate Board shall conduct a public quasi-judicial hearing to determine whether the declaration of the animal as dangerous/potentially dangerous is correct.
 4. Outcome. If the dog is affirmed by the Animal Service Appellate Board as being dangerous/potentially dangerous, then the owner shall comply with the terms of § 16- 10E, F, G. Any person who owns a dog affirmed dangerous/potentially dangerous by the Animal Service Appellate Board or its designee has the right to appeal this determination to the Superior Court.

Approved:

- E. Enclosures and control measures for dangerous/potentially dangerous dogs. If a dog has been determined to be dangerous/potentially dangerous, as specified in this section, the dog may be retained upon the owner satisfying the following conditions:
1. The owner must insure that the dog at all times on and off the owner's property remains securely enclosed as per the Ordinance or controlled and muzzled as described below. Failure to do so shall subject the owner to penalty under this chapter:
 - a. Confine the dog within the owner's residence; or
 - b. Erect and confine the dog (except when muzzled and controlled as required below), within 30 days in a securely enclosed and padlocked pen with a concrete bottom and secure top. The structure must be secured by a child-resistant lock. Pending construction of such pen, the dog must be confined within the owner's residence; or
 - c. The animal must be muzzled and under restraint by a competent person who, by means of a leash or chain, has such animal firmly under physical restraint at all times when not in a secure building or enclosure. The muzzle must be of the appropriate size for the animal and must be of a type and model approved in advance by the Henderson County Sheriff's Office, and must be in good repair. In approving or disapproving of a particular muzzle, the Henderson County Sheriff's Office shall take into account the size and demonstrated behavior of the dog, and the potential for injury in case of a failure of appropriate muzzling.
 - d. Any dog deemed dangerous shall not be permitted in public recreation areas, including dog parks, parks or greenways.
 - e. **The owner of a dangerous dog must maintain in full force and effect a liability insurance policy of at least \$100,000.00 for personal injury or death of any person resulting from an attack by such dangerous dog. The owner shall provide the Henderson County Sheriff's Office with a certificate of insurance which shall require 30 days written notice by the insurer or owner in the event of cancellation, reduction or other modifications of coverage. In addition to the notice requirement above, owner shall provide the Henderson County Sheriff's Office with immediate written notice of cancellation, reduction, or other modification of coverage of insurance.**
 2. The owner must post a warning sign, of at least 120 square inches, which is to be visible to any adjoining property from each exposure of the residence or the structure in which the dangerous/potentially dangerous dog is confined. Each sign must have an approved graphic representation of an appropriate animal such that the dangerousness of the animal is communicated to those who cannot read, including young children.
 3. Microchip. Within 10 days of the determination or appeal determination, the owner of a dangerous/ potentially dangerous dog must demonstrate to the Animal Enforcement that such dog had a microchip implanted.
 4. Inspection. Animal Enforcement shall cause periodic inspections to be made of the premises where the dangerous/potentially dangerous dog is kept to assure compliance with the provisions of this Ordinance. The owner must permit these inspections at any reasonable time without notice to the owner from the Animal Enforcement Officers.
 5. Control Measures.
 - a. All control measures required by this section must be met immediately upon the determination that the animal is dangerous/potentially dangerous except for the construction of the enclosure discussed in section 1(b) of this provision. The Owner has 30 days to construct the enclosure during which time the animal must be confined indoors and may only be permitted outside under the control of a competent person by leash and the animal must be muzzled. Failure to meet all control measures may result in the immediate impoundment of the animal and civil and criminal penalties.
 - b. If the owner has no place to keep the animal while the structure is being constructed, the animal may be kept at the Animal Services Center or at a private establishment approved by Animal Enforcement at the owner's expense.

Approved:

F. Notification. Within 24 hours:

1. Of change of address or ownership of a dangerous/potentially dangerous dog, the owner shall provide written notification of the change of address or ownership to the Sheriff, stating the full name if there's a new owner, address, and location of the new owner of the dog.
2. Of the death of a dangerous/potentially dangerous dog, the owner shall provide written notification of the dog's death to the Sheriff.

G. Notification prior to transfer. Prior to any transfer to a new owner (with or without consideration) of a dangerous/potentially dangerous dog, the owner must provide to the Sheriff a written statement, signed before a notary by the transferee (on a form obtained from the Animal Service Center), indicating the transferee's understanding of the transferee's obligations hereunder as an owner of a dangerous/potentially dangerous dog. If the dangerous or potentially dangerous dog is being transferred out of Henderson County or out of North Carolina,

1. The owner of the animal must notify the Sheriff and the new jurisdiction to which the animal is being moved that this dog has been deemed a dangerous/potentially dangerous dog;
2. The Sheriff also shall notify the new jurisdiction that the animal has been deemed dangerous and the circumstances surrounding the case.
3. The owner must comply with any local regulations regarding dangerous dogs in the new location.

H. Immediate impoundment. Any dangerous/potentially dangerous dog kept in violation of this section may be immediately impounded upon issuance of any warrant for the same, pending the outcome of the criminal action. If the owner is convicted of a criminal offense of keeping a dangerous/potentially dangerous dog in violation of this section, in addition to any criminal penalties imposed, the Animal Services Director or his/her designee may euthanize the dog. Nothing herein shall be construed to in any way limit the use of civil penalties for a violation of this section.

1. Cost of impoundment. Costs of impoundment at the Animal Services Center shall be paid by the owner or the person liable for the animal at a daily rate as determined by the County. In instances where the Animal Services Center must impound the animal(s) at a private facility or kennel, the person liable for the animal will pay the rate established by those facilities.
2. Release from impoundment.
 - a. No dog deemed dangerous or potentially dangerous who has been impounded by the Animal Services Center shall be released to the owner from impoundment except upon proof submitted by the owner or person liable for the animal that all the elements of this Ordinance have been met as verified by Animal Enforcement. This shall not apply in instances where criminal charges have been brought against the owner.
 - b. If criminal charges have been brought against the owner for failure to comply with this Ordinance or for interference with the operations of the Animal Services Center, no dog deemed dangerous shall be released from Animal Services until determined by a court of competent jurisdiction. During this time while the dog is impounded, it cannot be euthanized and the cost of impoundment shall be charged to the owner.
 - c. No dog deemed dangerous or potentially dangerous may be adopted.
 - d. All dogs deemed dangerous or potentially dangerous must be altered within 30 days of the determination.

Motion: I move to approve the change to Chapter 16-10 as presented.

Approved:

Proposed Changes to Chapter 16-19 – Violations and Fines – Public Nuisance

On April 11, 2024, the Animal Services Advisory Committee voted to propose a change to Chapter 16-19 - Violations and Fines. The change will allow Animal Enforcement to increase fines for repeat violations of Section 16-24 - Restraint/confinement of domestic animals required.

16-19. Violations and Fines.

- A. Misdemeanor. The violation of any provision of this Chapter shall be a misdemeanor and any person convicted of such violation shall be punishable as provided in N.C. Gen. Stat. §14-4. Each violation of this Chapter (or if a continuing violation, each day in which the violation continues) is a separate offense. Each violation for each animal is a separate offense.
- B. Enforcement. Enforcement of this Chapter may include any appropriate equitable remedy, injunction or order of abatement issuing from a court of competent jurisdiction pursuant to N.C.G.S. 153A-123(d) and (e).
- C. Issuance of a citation by seeking to have the owner insure compliance with this Chapter. The issuance of a citation hereunder shall not affect the prosecution of a violation hereof as a misdemeanor as provided above. A citation shall:
 - 1) Give notice of the violation(s) alleged of the owner;
 - 2) State the civil penalties for such violation(s);
 - 3) State the date by which any civil penalties for such violation(s) must be paid; and
 - 4) State that the County may initiate after such date a civil action to collect the civil penalties which are and may become due.
- D. Civil fines. In addition to and independent of any criminal penalties and other sanctions provided in this article, violations of this article may also subject the offender to the civil penalties hereinafter set forth.
 - (1) The Animal Services Director, Animal Enforcement Officers, Sheriff, or Sheriff's Deputies may issue to the known owner of any animal, or to any other violator of the provisions of this Chapter, a citation. Citations so issued may be delivered in person or mailed by certified or registered mail to the person charged if that person cannot be readily found. The citation shall impose upon the violator a minimum civil penalty of \$50 or such greater amounts for offenses as may be set by ordinance. The imposed civil penalty shall be paid in full to the charging agency within 30 days of receipt of the citation assessing the civil penalty. This civil penalty is in addition to other fees or costs authorized by this Chapter.
 - (2) In the event that the owner of an animal or other alleged violator does not respond to the above-described citation, or the applicable civil penalty is not paid within the time period prescribed, a civil action may be commenced to recover the fine and costs associated with collection of the fine, and/or a criminal summons may be issued against the owner or other alleged violator of this Chapter and upon conviction, the owner shall be punished as provided by state law. The charging agency is expressly authorized to initiate and prosecute small claims actions in District Court to collect civil penalties and fees due to the County of Henderson and may call on the County Legal Department for assistance as needed.
 - (3) Each violation of this Ordinance is a separate fine. Each day in violation and each animal kept in violation are considered separate offenses and may be fined for each individually.
 - (4) The following civil penalties are hereby established for each incident violation of this Chapter:

Section Violated	Animal Service Civil Penalty Schedule Description	Civil Penalty
*Citations shall impose upon the violator a minimum civil penalty of \$50 or such greater amounts for offenses as may be set by ordinance.		
16-7A	Interference with Animal Enforcement Officer, or agent (per incident)	\$500

16-24	Restraint/confinement of domestic animals required	\$50
16-26	Prohibition of giveaways in public places per incident per animal	\$50

- (5) Any person who fails to pay a fine within period of 30 days after receiving citation shall be deemed to have committed a misdemeanor and a warrant may be issued for the person’s arrest. Prosecution under this section shall require proof of the occurrence of the underlying facts giving rise to the notice of citation. The Animal Enforcement Sergeant may extend time to pay on a citation due to hardship on case by case bases.
- (6) The owner of a dangerous or potentially dangerous animal shall be strictly liable in civil damages for any injuries or property damage the animal inflicts upon a person, his property or another animal as per N.C.G.S. 67-4.4.
- (7) Violations taking place over continuous days shall be capped at 10 days per animal per violation unless there is evidence suggesting that the person has tried to interfere with Animal Enforcement Officers or obstruct justice in which case additional fines may accrue.
- (8) The final determination regarding the imposition and number of fines shall be determined by the County and alternative settlements shall be allowed where appropriate.
- (9) In accordance with Article IX Education, Section 7 of the North Carolina State Constitution, civil penalties collected under this Chapter shall be appropriated and used exclusively for maintaining free public schools.

E. **Interference.** It shall be unlawful for any person to interfere with, hinder, molest, resist or obstruct any employee or agent of the County of Henderson in the performance of any duty authorized by law or ordinance, or to seek to release any domestic animal in the custody of such employees or agents (including from traps, cages, or other enclosures) except as specifically provided or authorized by the County of Henderson. The penalty for any person convicted of such interference as set out in this subsection shall be \$500.00 per occurrence.

Motion: I move to approve the revisions to Chapter 16-19 as presented.

2025.027 Soil and Water Conservation District – Community Conservation Assistance Program Grant Award

The Henderson Soil and Water Conservation District requested that the Board of Commissioners approve the Community Conservation Assistance Program (CCAP) Grant awarded to Henderson County for a cistern at the Solid Waste Convenience Center. The project will include installation of a cistern at the Mercury building. Collected rainwater will be used for Household Hazardous Waste (HHW) Collection events, washing out trash cans, and clean-up at the convenience center. This is a reimbursement grant. The amount awarded in November 2024 to Henderson County for this project is shown in the table below:

Grant Funder	Award Amount
Division of Soil and Water: Community Conservation Assistance Program Grant (2025 Cycle)	\$8,000

Motion: I move the Board of Commissioners approve the CCAP grant for installation of a cistern at the Solid Waste Convenience Center and the associated budget amendment.

2025.028 Department of Public Health – AA122 Hurricane Helene Essential Functions Support

This activity provides financial relief to the North Carolina local health departments and districts in counties under federal major disaster declaration number FEMA DR-4827-NC which are restoring their essential functions and addressing post-disaster needs of the local public health system during recovery.

Approved:

The Hurricane Helene Essential Functions Support funds in the amount of \$1,064,970 were approved by the Henderson County Board of Health at their January 21, 2025 meeting to be forwarded to the Henderson County Board of Commissioners for consideration and final approval.

Motion: I move the Board approve the acceptance of the Hurricane Helene Essential Functions Support funds for the Henderson County Department of Public Health and authorize the necessary budgetary actions to implement subject to the funding limitations of the agreement.

Vendor Selection for Design/Build Team for Camp Tekoa Dam Rehabilitation Project

On April 1, 2024, the Board authorized a scope of work and budget amendment for a State Budget allocation for the Henderson County Soils and Water Department in the amount of \$14,000,000. This allocation was made as directed by the NC General Assembly pursuant to Session Law 2023-134 (House Bill 259) for stream restoration and flood resiliency projects.

On July 17, 2024, the Board was presented with a recommended projected listing provided by Senator Moffitt. The Board requested staff to incorporate the projects in the listing into the scope of work.

First is a dam rehabilitation project for Camp Tekoa. This project will be completed under a design/build process. A request for qualifications was issued between December 4, 2024, and January 28, 2025. Three qualifying submissions were received on time. Based on the review by the Soil and Water Conservation District staff, the most qualified design/build team is Morgan Corp and S&ME. The Board was requested to approve the selection of the qualified firm chosen to provide design/build services for the dam rehabilitation for Camp Tekoa. This project will be entirely funded by the NC State Budget Allocation.

Motion: I move the Board of Commissioners approve the selection of the Morgan Corp and S&ME to provide design/build services for dam rehabilitation for Camp Tekoa and to authorize staff to enter negotiations with the selected firm.

NC Division of Parks and Recreation Accessible Parks Grant Application

Henderson County Parks and Recreation requested the support of the Henderson County Board of Commissioners to apply for the 2025 Accessible Parks Grant to renovate outdated features at East Flat Rock Park. Due to those outdated features, East Flat Rock Park is currently not accessible by both ADA and Universal Design standards. Parks and Rec Staff have hosted three public input meetings, with resounding approval for the upgrades. The Parks and Recreation Advisory Board has recommended that the staff apply for this grant, which could contribute up to \$500,000 towards park upgrades. The Accessible Parks Grant requires a 20% match, or up to \$100,000.

Motion: I move the Henderson County Board of Commissioners approve the 2025 Accessible Parks Grant application and sign the certification of local government approval.

Vaya Health – Quarterly Fiscal Monitoring Report (FMR) for the quarter ended December 31, 2024

N.C.G.S. 122C-117(c) requires the staff of the local area mental health authority to provide the County Finance Officer with the quarterly Fiscal Monitoring Report (FMR) within 30 days of the end of the quarter. The County Finance Officer is then required to provide the FMR to the Board

Approved:

of Commissioners at the next regularly scheduled meeting of the Board. The FMR for Vaya Health was received by the County Finance Officer on February 11, 2025.

Motion: I move that the Board of Commissioners approve the Vaya Health Fiscal Monitoring Report for the quarter ended December 31, 2024.

2025.029 Department of Public Health – AA123 Investment in Performance Management

This activity was to help meet the short-term critical infrastructure needs and to make strategic investments which will have lasting effects on local public health departments in North Carolina. The funding supports the foundational capabilities, and the local health department workforce needed to support service areas. Investments and improvements to foundational capabilities help rebuild and modernize public health departments, positioning local health departments to better serve their communities.

The activity was to strengthen the capacity of expertise of the Local Health Department (LHD) to carry out the foundational capability of Accountability and Performance Management as measured by the NC Federal Capabilities Assessment.

The LHD will use this funding to invest and support its capacity and expertise specific to Foundational Capability Accountability and Performance Management. Capacity is defined as having the tools, the people, and the time to carry out the Foundational Capability. Expertise is defined as having the training, experience, and skill to cover the Foundational Capability.

Motion: I move the Board to approve the acceptance of the Investment in Performance Management funds for the Henderson County Department of Public Health and authorize the necessary budgetary actions necessary to implement subject to the funding limitations of the agreement.

2025.030 Sole Source of Repairs to Jackson Park Playground

The Board was requested to approve the attached proposal and authorize staff to proceed with the repairs of the inclusive playground at Jackson Park via the sole source exception as allowed under N.C.G.S 143-129 (e)(6). As a sole source contract with County government, approval of this agreement by the Board of Commissioners is required.

The sole proposal was received from Barrs Recreation for a total pre-tax price of \$34,349. Barr Recreation was the original installer of playground equipment and to ensure that warranties remain valid Barr Recreation must make the repairs to the playground.

The repair will be funded with insurance proceeds less the deductible of \$25,000.

Motion: I move the Henderson County Board of Commissioners approve the budget amendment, accept the sole proposal from Barrs Recreation and authorize Henderson County staff to proceed with the repair to the playground at Jackson Park in the amount of \$34,349 using the sole source exception as allowed under N.C.G.S 143-129 (e)(6).

Motion: Vice-Chair Edney made the motion to adopt the consent agenda. All voted in favor, and the motion passed unanimously.

Approved:

GRASSROOTS EFFORTS

- Rutherford County TDA and the Village of Chimney Rock were working with a consultant before the storm
 - They continued working with the consultant and shifted focus to a recovery plan: Raise the Rock Action Plan
- Folks in the Hickory Nut Gorge reached out to Planning staff as well as the two fire chiefs regarding recovery in the Gorge
- These residents invited us to meet with them and hear some of their concerns and ideas for the future
- It was posed whether there is something that can be done in Henderson County that is similar to Chimney Rock
- Staff will continue to listen and learn from the residents and business owners who were directly impacted by the storm

RECOVERY PLANNING

- Hickory Nut Gorge Recovery Plan – brings together the Gerton and Bat Cave communities
- A consultant will be acquired through an RFP process
- There's a need to do this plan and finish it quickly
 - Residents are seeking direction for the future

John Mitchell suggested that the Board hold a special community workshop meeting to discuss recovery efforts and available resources; with the meeting being held in in the Gerton/Bat Cave area. He urged residents that live outside of the Gerton/Bat Cave communities to limit attendance due to the continued state of emergency in that area. He added that there would be a mobile DRC trailer with services beginning at 1:30 p.m. and continue to overlap through the 5:30 p.m. workshop.

Motion: Chairman Lapsley made the motion to hold a special called meeting on Monday, February 24, 2025, at 5:30 p.m. at the Bat Cave Baptist Church located at 5095 Chimney Rock Road, Hendersonville, NC. All voted in favor, and the motion carried.

Financial Services Director Samantha Reynolds stated that the county had received \$15.6 million from FEMA thus far, with \$10.3 million costs incurred by the county to date.

Marcus Jones reported that waterway debris removal had begun, with four sites already completed. He mentioned that Mud Creek alone had 121 different sites that were designated for cleanup. He added that staff was working on a map to be posted on the county’s website, allowing residents to view the sites scheduled for cleanup.

FSA Programs Pre-Helene

Emergency Conservation Program (ECP)

- Mainly for fence and field repairs needed due to hurricane damage.
- For crop fields and pastures it covers debris removal from fields such as sand/silt, trees, rocks. It also covers grading and releveling the field.
- For livestock producers it repairs or replaces fencing lost from downed trees and flooding
- This program is cost share assistance and is paid after the applicant finishes the work and turns in their bills. There are other types of conservation structures also covered.

Emergency Forestry Restoration Program (EFRP)

- For damage to private forestry land for those with a managed forest.
- It is cost share assistance to help clean up and replant/restore the forest
- Tracts must be at least 1 acre and 120 ft wide with a forestry plan
- You must replant to restore the forest according to a forestry plan
- Part of the application process is meeting with a forester to find out what practices are needed to clean up and restore your forest
- This program is cost share assistance and is paid after the applicant finishes the work and turns in their bills.

Approved:

Noninsured Crop Disaster Assistance Program (NAP)

- Covers small fruit and vegetable losses in our area that were due to hurricane or if the producer had other disaster related losses before the hurricane. Most of these applicants have been paid for their losses.
- crop coverage for crops that don't have a federal crop insurance policy and applicant must have obtained NAP coverage for the crop year by the application for coverage date for that crop or crops in which the loss was incurred.

Tree Assistance Program (TAP)

- For the replacement and rehab of trees, bushes, or vines. (Orchards, Vineyards, and Nurseries)
- Applies to orchards, vineyards, nurseries
- Applications are taken for individual stands that you have a loss on based on normal mortality.
- This is to help replace the dead and damaged trees and replant, it is not a payment for what has been lost. This program is cost share assistance and is paid after the applicant finishes the work and turns in their bills.

Emergency Livestock Assistance Program (ELAP)

- For losses to honeybees, aquaculture, and some livestock situations.
- Assistance to help cover above normal costs to transport livestock to feed and/or transport feed/forage to livestock in hurricane-impacted states.
- Assistance to help cover above normal costs to haul water to livestock.
- Also covers losses to fish
- This is a direct payment for losses.

Livestock Indemnity Program (LIP)

- Covers livestock deaths above normal mortality, death must be directly cause by the hurricane.
- Must provide documentation (pictures) or third party certification for the deaths
- The deaths must have been directly caused by the disaster event
- This is a direct payment for losses.

Dr. Terry Kelley estimated that the losses to the Agricultural Community ranged from \$135 million to \$150 million; \$38 million of that total attributed to crop damage.

Construction Projects Update

Flood Plain Ordinance Discussion

The current flood plain fill ordinance, Sections 42-234.1 and 42-354 of the Henderson County Code, as revised in October 2023 was provided for the Board's review.

Should the Board want to consider modification of the existing ordinance, under N.C. Gen. Stat. §160D-604, it must refer the matter to the Planning Board for review and comment, prior to a public hearing.

Before any action by the Board which constitutes a "down-zoning" of any property as that term is defined in N.C. Gen. Stat. §160D-601 (as modified in 2024), the Board must first obtain the written consent of all property owners owning property in a designated special flood hazard area.

Change made from original Ordinance in October of 2023.

Section 42.234. Flood Hazard Reduction

42-234.1 General Standards.

In all *Special Flood Hazard Areas* the following provisions are required.

- A. In the *flood fringe* area as indicated on the *FIRM*, ~~no fill whatsoever shall be allowed except on parcels of land, the boundaries of which are of record in the Henderson County Registry as of the original date of adoption of these regulations (July 5, 2005), and then only upon no more than 20 percent of the total of the *flood fringe* area~~ **may be filled contained in each such parcel**, except that additional fill may be permitted in the *flood fringe* pursuant to a *special fill permit* (See §42-354 (Special Fill Permits).
- B. In the *floodway* area as indicated on the *FIRM*, **fill may be permitted in the *floodway* pursuant to a *special fill permit* (See §42-354 (Special Fill Permits).**

§42-354. Special Fill Permits

- A. Purpose. *Special Fill Permits* in the ***flood fringe special flood hazard area*** may be granted by the Board of Commissioners only in Conditional Zoning Districts where particular cases meeting specific community need and subject to appropriate conditions and safeguards.
- B. Permit Issuance. The Board of Commissioners shall have the power to grant permits for special fill in the ***flood fringe special flood hazard area***. In order to grant a Special Fill Permit, the Board of Commissioners must conclude that the: **application meets the requirements under 42-354.**

County Attorney Russ Burrell explained that changing the ordinance back to its previous state would require a change in legislation.

Commissioners Franklin and Egolf desire to change the ordinance back to its precious state. Vice-Chair Edney added that he would like to schedule a public hearing to get the ball rolling, with or without the opinion of the Planning Board.

Approved:

Motion: Commissioner McCall made the motion that the Board request the Planning Board review potential modifications to the existing ordinance in anticipation of possible future legislation on downsizing. All voted in favor, and the motion carried.
