

Addendum #1 Revised Base Bid and Addition of Alternate

Blue Ridge Community College Sink Building Thomas Auditorium, Gallery and Restrooms LED Lights

The Base Bid has been revised. The Base Bid will **no longer** include:

Thomas Auditorium: Using existing fixtures and reflectors and installing LED conversion kit with built-in drivers and hardwiring existing HID fixtures to eliminate the ballast. Any seating that requires removal will be the responsibility of the Contractor to remove and re-install. This is a hard ceiling area. The conversion must keep 2 level switching. Thomas Auditorium
Total 20

Alternate #1 Add/Deduct: Convert Auditorium HID fixtures to LED using the following HID to LED conversion bulbs. <https://www.usa.lighting.philips.com/products/product-highlights/ledhidreplacements> \$_____

The Base Bid will continue to consist of:

Auditorium Gallery: This is a combination of drop ceiling and hard ceiling. Additionally, there are 2 different size fixtures in the hard ceiling over the carpeted area. Lifts & scaffolding will be the responsibility of the Contractor to provide. Thomas Auditorium Gallery
Hard Ceiling 38
Hard Ceiling 9
(small cans)
Drop Ceiling 32
Total 79

Add Alternate #3 below, will be added to the list of Alternates

Add Alternate #3: Convert site lighting over stage area to LED. This is to convert the site lighting only. This does not include the theatrical lighting.
