Addendum #2

Blue Ridge Community College 2022/2023 Patton Bldg Paving Improvements
January 5, 2022

This Addendum shall be attached to and made a part of the above named Contract Documents.

The following items are issued to, modify, and clarify the Contract Documents. These items shall have full force and effect as the Contract Documents, and cost involved shall be included in the Bid prices. Bids, to be submitted on the specified date, shall conform to the additions and revisions listed herein.

Acknowledge receipt of the Addendum on the Bid. Failure to do so may subject the bidder to disqualification.

ADDENDUM ITEMS

- 1. The bid form has been revised to contain/clarify quantities for items number 1,2,5,6 and 7. **The bidder** must use the revised bid form when submitting a bid.
- 2. The intention of the "single-seal" on the bid form is as follows (in the area designated on Sht. C-100). The contractor should mill 2-inches, then place the single-seal, then overlay 2-inches over-top of the single-seal. The single-seal is defined as: <u>One single heavy seal of asphalt emulsion followed by one layer of 3/8" seal stone and then compacted.</u>
