### FOR IMMEDIATE RELEASE

## **Ribbon-Cutting Ceremony for Henderson County Veterans Services Building HC-2024-14 Hendersonville, NC – June 7, 2024**

Henderson County is excited to announce the grand opening and ribbon cutting ceremony of the new Henderson County Veterans Services Building on Wednesday, July 3, 2024, at 10:00 AM. The renovated former VFW Building located at 900 North Main Street, will provide essential support and services to veterans and their families in our community, as well as provide event space for community use.

“We are excited to be able to open the newly renovated Veterans Services Facility during the week of Independence Day, as a solemn reminder for all of those who have served this great country from its founding to the present. Henderson County looks forward to growing Veterans Services in the newly renovated building and strives to be the most Veterans friendly community in the country,” said Christopher Todd, Director, Business & Community Development.

“The Hedrick-Rhodes Post 5206 VFW building was constructed as a respite for the heroes that returned from fighting to protect our freedoms,” said Board Chairman Rebecca McCall. “Preserving this building is one of the most significant contributions we can make to commemorate their sacrifices. Please join us as we officially open this newly renovated building as the new Veteran Services Facility for Henderson County Heroes.”

The community is invited to attend the ribbon-cutting ceremony and show their support for our veterans. The building will be open for a tour following the ribbon-cutting ceremony.

Henderson County Veterans Services provides comprehensive support and resources to veterans and their families. Through a range of programs and services, we aim to enhance the quality of life for those who have served our nation.
